Dear RSM Classic Media Friends,

Welcome to the twelfth year of The RSM Classic!

On behalf of the Davis Love Foundation, I want to thank you for your support and coverage of this Seaside Tradition since our start in 2010.

TOURNAMENT NOTES

PGA TOUR players looking for a laid-back playing experience at one of the world's finest resort golf facilities could hardly do better than to make a date for The RSM Classic on Georgia's Golden Isles.

Contested at historic Sea Island Golf Club on picturesque St. Simons Island, the Classic enters its twelfth year as a PGA TOUR event, with 21-time PGA TOUR Champion and 2022 US Presidents Cup Team Captain Davis Love III and his Foundation once again steering the ship. Sea Island is the only resort in the world to achieve Forbes Five-Stars ratings thirteen years in a row for four of its venues/properties: The Cloister, The Georgian Room, The Lodge and The Spa at Sea Island.

More than a dozen touring pros train at Sea Island Golf Performance Center and/or call the Golden Isles of Georgia home, including:

Jonathan Byrd	Matt Kuchar	Greyson Sigg
Harris English	Davis Love III	Hudson Swafford
Joey Garber	Keith Mitchell	Josh Teater
Brian Harman	Andrew Novak	Michael Thompson
Zach Johnson	Paul Peterson	
Patton Kizzire	JT Poston	

The tournament is named for title sponsor RSM US LLP.

RSM's purpose is to deliver the power of being understood to its clients, colleagues and communities through world-class audit, tax and consulting services focused on middle market businesses. The clients RSM serves are the engine of global commerce and economic growth, and RSM is focused on developing leading professionals and services to meet their clients' evolving needs in today's ever-changing business environment.

RSM US LLP is the U.S. member of RSM International, a global network of independent audit, tax and consulting firms with more than 48,000 people in over 120 countries. For more information, visit rsmus.com, like us on Facebook, follow us on Twitter and/or connect with us on LinkedIn.

The tournament, which was originally named The McGladrey Classic, was rebranded in 2015 when McGladrey LLP united with fellow firms of its network in order to better reflect its global capabilities and changed its name to RSM.

This year marks the ninth year for The RSM Classic as a FedExCup event which comes with full points, a larger purse and more perks to the winner -- including an automatic trip to Augusta National for the Masters.

In 2020, Robert Streb won with a birdie on the second playoff hole over Kevin Kisner to become the only 2-time winner of the RSM Classic. His win was also was his second career PGA TOUR

victory. He held the solo 36-hole lead and had a 3 stroke lead going into the final round. Streb had played at The RSM Classic the six previous years, winning in 2014, and finishing T25 in 2015, T32 in 2018 and T57 in 2016. This was the sixth playoff in the first eleven years of The RSM Classic. In 2019, Tyler Duncan bested Webb Simpson on the second hole. In 2016, Mackenzie Hughes won in a Monday playoff with Camilo Villegas, Henrik Norlander, Blayne Barber and Billy Horschel. In 2014, Robert Streb won in a playoff with Brendon de Jonge and Will McKenzie. In 2011, Ben Crane won in a playoff with Web Simpson.

Every year of The RSM Classic, the Champion has been decided by one stroke or by playoff with the exception of 2015 and 2017. In 2015, Kevin Kisner won with a 6 stroke lead and in 2017 Austin Cook won with a 4 shot lead.

The vision of tournament host Davis Love III for the event in his hometown has been simple: give players an enjoyable but demanding test at Sea Island Golf Club and do it in a relaxed setting that offers a wonderful experience for pros, their families, caddies, sponsors, volunteers and spectators.

Davis played in the first ten RSM Classics, making the cut for weekend play five times. Love flirted with victory in the 2012 event, finishing in a tie for fourth place, four shots back, with Brendon de Jonge and D.J. Trahan at 12-under 268. Love's best round in The RSM Classic is a 5-under 65, shot in both the 2012 and 2010 events on the Seaside course (par 70) and a 5-under 67 in 2018 on the Plantation course (par 72).

Contested each of the first five years solely on the Seaside Course, the 2015 RSM Classic began employing its sister course, Plantation, and increased its field from 132 to 156.

The RSM Classic has impacted the lives of thousands in the Golden Isles and across the nation through charitable contributions totaling more than $22.2 million since its inception. The Davis Love Foundation was established in 2005 by Love and his wife, Robin, to support local and national community-based programs which focus on children and families. Among the charities that have been assisted are the Boys & Girls Club of Southeast Georgia and Special Olympics.

Revenue for charity also has been enhanced by RSM's Birdies Fore Love initiative, Friends of the Foundation, Wiffle® Ball game between TOUR players and their wives.

"Our Foundation is committed to positively impacting children and family charities through the dollars raised by The RSM Classic," said Love. "It is our privilege to continue the PGA TOUR's tradition of giving back."

"RSM has a long history of stewardship in the communities where our employees live and work," said Joe Adams, the company's managing partner and CEO. "The RSM Classic and Birdies Fore Love provide our employees and clients with additional opportunities to give back, and we are proud of the way they have so generously supported deserving charitable organizations nationwide."

Last year's RSM Classic saw Streb pocketing $1,188,000. from a total purse of $6.5M. Previous winners' checks were:

2019 - Tyler Duncan (-19) $1,188,000.

TOURNAMENT CHAMPIONS - 2010 - 2017

2010 – Heath Slocum (–14)

Heath Slocum held off three contenders – each of whom shot 66 in the final round –- with a 68, nipping Bill Haas by one shot. Ten players finished within four shots of the inaugural champion.

2011 – Ben Crane (–15)

Ben Crane unleashed a putting display for the ages as he birdied six holes on the back nine to rally from seven shots back with 11 holes to play. He defeated Webb Simpson on the second playoff hole. Nine players were within five shots of making the playoff, including major champions Louis Oosthuizen, Angel Cabrera and Trevor Immelman.

2012 – Tommy Gainey (–16)

Tommy "Two Gloves" Gainey flirted with a 59 on Sunday, settled for a 60 and then had to sweat it out as three major champions, Love III, Jim Furyk and David Toms, took runs at the top of the leaderboard. None were able to catch Gainey, with Toms finishing second by a shot.

2013 – Chris Kirk (–14)

Chris Kirk became the first UGA graduate to win The RSM Classic, shooting his third 66 of the week in the final round. Kirk, who moved from St. Simons Island to the suburbs of Atlanta just a month before the tournament, needed every birdie as Briny Baird and Tim Clark charged hard. Clark eventually shot a 62.

2014 – Robert Streb (–14)

A logjam of 11 players finished within four shots of the three-way playoff won by Robert Streb. Robert Streb fired a near-flawless round of 63 on Sunday, then turned back Will MacKenzie and Brendon de Jonge in a sudden-death playoff. Streb enjoyed his finest season as a pro that season, playing in all four majors, plus The Players Championship.

2015 – Kevin Kisner (–22)

Kisner held the lead in every round with the exception of the second which was lead by Kevin Chappell. Kisner's six stroke win was the largest in tournament history. Previously, one shot (3 times) was the largest margin of victory. Kisner's six shot win is the largest on TOUR since Jason Day won the BMW Championship by six shots.

2016 – Mackenzie Hughes (–17)

Mackenzie Hughes, who led outright each of the first three rounds, posted a 69 in the final round to get to 17-under and join a playoff. After two holes, competition was suspended. On Monday, Hughes rolled in a 15-foot putt to claim his first career PGA TOUR victory.

2017 – Austin Cook (–21)

Austin Cook converted a three-shot lead into a four-stroke victory with three birdies in his last four holes in his first start at The RSM Classic. As a former golfer at the University of Arkansas, Cook competed at Sea Island four years during the SEC Championships. J.J. Spaun finished alone in second.

TOURNAMENT CHAMPIONS - 2018 - 2020

2018 – Charles Howell III (–19)

Charles Howell III notched his third career PGA TOUR victory and first since 2007 (a span of 11 years, 9 months and 333 starts) with a birdie on the second playoff hole over Patrick Rodgers. Charles held the solo 18-, 36- and 54-hole leads, while Rodgers s recorded the best closing 36-hole score in TOUR history (61-61 --123).

2020 – Robert Streb (–19)

Robert Streb became the first player to win The RSM Classic for a second time when he defeated Kevin Kisner with a birdie on the 2nd playoff hole. This was Robert's second PGA TOUR win, the other coming in 2014. Streb held a 3 shot lead going into the final round, and his 68 on Sundaywas enough to tie Kisner and force a playoff.

2019 – Tyler Duncan (–19)

Tyler Duncan won his first PGA TOUR event when he made birdie on the second playoff hole to beat Webb Simpson (his 2nd playoff loss at The RSM Classic). Tyler shot 67 and 61 in the first two rounds of the tournament for a 2 shot lead but a 70 on Saturday left him 4 strokes behind. Duncan shot the best score of the day on Sunday (65) to earn his playoff spot.

DEFENDING CHAMPION - ROBERT STREB

Robert Streb became the first player to repeat as an RSM Classic champion when he defeated Kevin Kisner on the 2nd hole of a playoff. He had held the outright lead in the tournament after the second and third rounds.

With the win, Streb collected 500 FedExCup points, earns a two-year PGA TOUR exemption and qualified for the Masters tournament. Also, Robert qualified for the FedExCup Playoffs for the first time since the 2016-17 season, advancing to the BMW Championship for the third time and finishing No. 60 in the FedExCup standings.

HOLE DESCRIPTIONS -PLANTATION COURSE - FRONT NINE

Hole #	Plantation Course – Front Nine
1	At this generous opening hole, a drive down the left side of the fairway will open up the green for the approach. The two-tiered green with swale through the middle will call for an accurate approach.
2	One of the shorter par fours on the course, the drive here must challenge the bunkers on the right side of the fairway or the player will face tree trouble on the approach. A lofted second shot is needed to carry the front bunker at this elevated green.
3	This long par three has a strong "false front" and is protected by bunkers on the left. The large green provides multiple hole locations and the open front allows for run-up approaches. Par is a good score here.
4	This long par five won't be reached by many players in two shots. Generous width off the tee leads to a more difficult lay-up as players must negotiate a lake down the left and central bunkers in the fairway. The green is well protected with bunkers, making a birdie on this hole a true accomplishment.
5	A long par four, this hole demands an accurate tee shot. Once in the fairway, the player is faced with a wide but shallow green. Missed shots right of the green will find a large bail out area providing an opportunity for recovery.
6	This medium-length par four has no fairway bunkers but accuracy is still a premium. Players must be on the correct side of the fairway to get an open look into one of the course's smallest greens.
7	This island par three green, the largest green on the course, makes an inviting target. Hole locations on the large undulating green can make hitting the green only the first test to overcome for par.
8	This par five will be reachable depending on the wind. With bunkers on both sides of the fairway, players hitting good drives have the opportunity to reach the green, but must negotiate a lake running the right side of the fairway. A back right hole location provides a tough shot even with a short iron.
9	A long par four, this hole is tree lined and features a large ridge protecting the left side of the fairway. Players hitting the fairway will be faced with a long second, but the open entry to the green and large chipping swale will allow for run-up shots and recovery opportunities.

HOLE DESCRIPTIONS -PLANTATION COURSE - BACK NINE

Hole #	Plantation Course – Back Nine
10	This short, drive-able par four provides the golfer with numerous options. The boldest player may try to go for the green, but danger lurks with the left edge of the green guarded by the water. More conservative players face a lay-up decision to avoid the "principal's nose" bunkers. Once negotiated, the players will find a small, gently undulating green surface.
11	Flanked by bunkers on both sides, this medium length par three is open in front. Multiple hole locations on its large green will demand high quality approach shots with a mid-iron.
12	This par four calls for a driver for some off the tee, while others may hit a fairway wood to avoid trouble. A second shot to this green provides challenge with cross bunkers, with care need to avoid going over the green into the lake.
13	With a lake on the left and out of bounds on the right, this may be the most difficult driving hole on the course. Once finding the fairway, the player will need to negotiate the large bunker guarding the right two thirds of the green protecting this "bowl" green.
14	The split fairway on this medium length par five requires decision making off the tee, but can be reachable with a good drive. The large, slightly undulating green is receptive to both long and short approaches while subtle green contours separate the green into multiple hole locations.
15	This short par four will require a lay-up off the tee for most players. Native areas protect the left side of the fairway but a well-placed tee shot will give the player a good view of the smallest green on the course. Two accurate shots will be required to hit this green in regulation.
16	The shortest par three on the course doesn't necessarily make it the easiest. With a deep pot bunker front left of the two-tiered green, an approach to the center and two puts will make for a good par.
17	A well-placed tee shot is critical at this lay-up hole. Bail out right and the view of the green will likely be blocked by the ridge. Take on the lake left of the fairway to get a good look at the green. A short second will follow a good drive, but this large undulating green will make finding a short birdie putt difficult.
18	This reachable par 5 finishing hole can provide a great finish end to the round. The water off the tee will only affect the longest hitters, but all players will have to deal with the water eventually. Players hitting to this green with second or third shots will face water lining the left side and bunkers protecting the right side. This birdie hole can give some chances at eagles.

HOLE DESCRIPTIONS -SEASIDE COURSE - FRONT NINE

Hole #	Front Nine
1	The starting hole is a slight dog-leg left with bunkers protecting the right side of the fairway. After a good tee shot, the player is left with a slightly uphill second shot to a raised green protected on the left by a greenside bunker.
2	A difficult driving hole with marsh and bunker left and water on the right. The second shot to this green can be made very difficult depending on the selected hole location as a bunker and water protects the right side and a peninsula green provides a difficult back pin placement.
3	A challenging par three with a bunker guarding the front of the green. Missing the green to the left will provide a difficult up and down for par.
4	The spectacular par four demands precision off the tee with marsh left and a lake to the right. The second shot to this green is made difficult as a bunker protects the left side of the green and chipping swales fall off on all other sides.
5	A difficult tee shot on this sharp dog-leg right can setup a short iron second shot for the longer hitters or a mid-to-long iron for those playing it safe. The green is protected by a greenside bunker on the right as well as marsh running along the right side and behind the green.
6	A downhill par three protected by a bunker in front and water behind the green. This hole is always made difficult by swirling winds and requires the right club selection.
7	The lone par five on the front side is flanked with water to the right and dunes to the left. A good tee shot, depending on the wind, can leave a player the opportunity to reach this green in two shots. A second shot lay-up is made difficult by the large fairway bunker left and dunes to the right. The green has substantial movement and is protected by marsh long and right.
8	A short par four that provides players with many options off the tee. A 3-wood or long iron off the tee will leave a short, slightly uphill iron in for a second shot. A false front protects front hole locations and a large right greenside bunker protects back right hole locations.
9	A long par four with a bunker protecting the left side of the fairway. After a good tee shot, players will be left with a mid-to-long second shot to a green protected by a large greenside bunker to the left.

HOLE DESCRIPTIONS -SEASIDE COURSE - BACK NINE

Hole #	Seaside Course – Back Nine
10	Not an extremely long par four, but one that requires two solid golf shots. With water left and a large bunker to the right, a solid tee shot is a must to be in a position to attack this raised green protected by a large bunker both front and right.
11	A difficult tee shot as bunkers flank both the right and left sides. Longer hitters can carry the bunker leaving a short iron in for the second shot. The green tilts from back to front and is protected by bunkers right and left as well as marsh long.
12	A long par three that is at the mercy of the wind. Playing to the center of the green, regardless of the selected hole location, will be the aim of all players. A large bunker protects the right side of the green making it attractive as players must negotiate the marsh short and left.
13	This signature hole plays once again at the mercy of the wind. Players have to negotiate the marsh running the entire left side of the hole while paying attention to three large fairway bunkers protecting the right side. An uphill shot to a green protected by a large front bunker makes birdie on this hole a bonus.
14	This long par four is set up by the drive. Players must play far enough left to avoid the large oak trees that can inhibit the second shot on this hole, while avoiding the marsh to the left. Set upon the Atlantic, wind is always a factor here and while there are no bunkers guarding the green, marsh runs the entire left side making the swales right of the green a common place to play third shots.
15	Long hitters can carry the fairway bunker stretching across the left side to have a shot at reaching this par five. For those unable to carry the bunker, they must play right on the tee shot and lay up for a short third shot. The raised green is very well protected with bunkers left and right and back hole locations can provide a very difficult two putt.
16	This signature hole requires thinking on the tee. With a tidal creek running the entire left side of the driving area, players will hit their tee shots out to the right, but the farther right you play, the longer the second shot to the well protected green. A bunker protects the green on the front, right side while a false front runs the entire left side.
17	Once again, the wind plays a large part in this hole requiring correct club choice. Two large bunkers protect this large green that provides multiple hole locations.
18	A great finishing hole that requires both length and accuracy off the tee. At 470 yards, players have to negotiate fairway bunkers both right and left to have a second shot into the green protected by bunkers both left and front right. A great finishing hole that can provide great shots for a dramatic finish.

CHARITIES

In 2013, The RSM Classic had an economic impact of $10.6 million on Georgia's Golden Isles according to an analysis by the Bureau of Business Research and Economic Development at Georgia Southern University. By all indications, this number has continued to grow. It's clear that the real winners are the individuals served by Special Olympics, the Boys & Girls Club of Southeast Georgia and many other local, regional and national charities who focus on children and families. The RSM Classic is proud to continue the tradition of giving back to the community – which is such an integral component of the PGA TOUR – and to support such worthy organizations. In its first eleven years, The RSM Classic has raised more than $22.2 million for charity.

BIRDIES FORE LOVE

The RSM Birdies Fore Love program is a giving platform tied to The RSM Classic, focused on supporting organizations that help build the middle market leaders of tomorrow. The program has two primary components:

Birdies Fore Love – RSM employee giving challenge

Each year RSM owners and employees raise funds for local charities aligned with the missions of the RSM US Foundation and the Davis Love Foundation. In 2020, the program raised more than $4 million for more than 70 charities in the communities where RSM employees live and work.

The strong fundraising through Birdies Fore Love, coupled with matching contributions from the RSM US Foundation and proceeds from the tournament, has brought the program total to more than $17.6 million donated over the ten years of the tournament.

Birdies Fore Love – PGA TOUR on-course competition

In collaboration with the PGA TOUR, RSM Birdies Fore Love will again donate over $1 Million to charitable organizations through an on-course competition over the first eleven events of the 2021-22 PGA TOUR Season.

In addition to weekly winners, the top three players who accumulate the most birdies (or better) throughout those first eleven events will earn $300,000, $150,000 and $50,000, respectively, for children- or family-focused charitable organizations of each player's choice.

Last year, Corey Conners (139 birdies or better) won the overall program, followed by Sepp Straka (138) and Sungjae IM (135). Conners chose to spread the love and donate $200,000 to the Corey and Malory Conners Family Fund, Ben Curtis Family Foundation, and Mia's Miracles. Straka funded the Scott & Kim Verplank Foundation and the Children's Advocacy Center of Lowndes County. Im donated to the KJ Choi Foundation.

With four Forbes Five-Stars experiences — The Cloister at Sea Island, The Lodge at Sea Island, The Spa at Sea Island, and the Georgian Room restaurant — Sea Island entices families, outdoor enthusiasts, and those simply wanting to refresh. It is the only resort in the world to have received four Forbes Five-Stars awards for thirteen consecutive years. As the only U.S. resort to host a G-8 Summit of world leaders, Sea Island provides exceptional settings and service for conferences and executive retreats.

Located on the southeastern coast of Georgia, Sea Island features five miles of private beach, a Beach Club, tennis center, Yacht Club, Shooting School, and children's programs, as well as three championship golf courses, including Seaside and Plantation, home of the PGA TOUR's RSM Classic. Located on St. Simons Island, The Inn at Sea Island offers casual accommodations with access to many Sea Island amenities. Broadfield, a Sea Island Sporting Club and Lodge, offers seasonal hunting and fishing opportunities.

Recent enhancements at The Lodge include six new cottages with 14 sleeping rooms, an oceanfront pool, pool house, and 18-hole putting course. Early 2019 brought an all-new, 17,000-square-foot, state-of-the-art Golf Performance Center.

Those seeking adventures in the spirit of the American West may choose to visit The Broadmoor, the other member of the Sea Island family.
