BYRON NELSON

In 1945, Byron Nelson accomplished an incredible winning streak. He finished that year with 18 victories, including 11 straight, and established a record for the lowest scoring average (68.33), which remained untouched for 55 years.

During his career, Byron Nelson won 52 PGA TOUR sanctioned tournaments, including the 1939 U.S. Open, the 1937 and 1942 Masters, and the 1940 and 1945 PGA Championships. In 1968, Byron Nelson lent his name to the Byron Nelson Golf Classic, and the result has been a long and successful partnership.

In 2006, Byron was posthumously awarded the Congressional Gold Medal for his humanitarian efforts. He passed away in September 2006.

In 2007, Salesmanship Club announced the creation of a special award to honor Mr. Nelson's legacy. The Byron Nelson International Junior Golf Awards were awarded for the first time at the 2008 tournament. The awards were created to continue Byron Nelson's legacy of encouraging and mentoring young golfers. Through this awards program, exceptional junior golfers from around the world with strong character, academics and commitment to community are identified and invited to the tournament each year.

PGA TOUR MEDIA REGULATIONS

SECTION I. GENERAL TERMS

1. PGA TOUR Holds Exclusive Media Rights. PGA TOUR holds the exclusive right to provide media outlets and their representatives with access to Tournaments. All media rights in and to Tournaments, including rights to all forms of audio, video and photography, are held exclusively by PGA TOUR. For purposes of these Media Regulations, “Tournaments” means all sanctioned tournaments on the PGA TOUR, PGA TOUR Champions, Korn Ferry Tour and PGA TOUR Americas (the “Tours”), including the competition, practice rounds (including pro-ams), qualifiers, practice areas, hospitality areas and all surrounding events and areas at the tournament site(s) on all tournament days (typically Monday – Sunday). A “Media Day” preceding the week of a Tournament will also be a considered part of the Tournament for purposes of these Media Regulations, unless otherwise specifically set forth in these Media Regulations.

2. Overview of Credentials. PGA TOUR issues credentials under these Media Regulations solely to approved individuals (“Credential Holders”) representing an approved media outlet (“Media Outlet”). A credential authorizes a Credential Holder, on a temporary and conditional basis, to access a Tournament on behalf of his/her Media Outlet and collect and distribute certain content for news and editorial purposes in accordance with these Media Regulations. Credentials are issued either for a specific Tournament (e.g., to a local outlet) or on a season-long basis.

3. Credential Requests. Credential requests for Tournaments (including Media Days) must be submitted by a Media Outlet for its desired Credential Holders through PGA TOUR’s credentialing system. Credential requests from a Media Outlet must include the following information:

- Media Outlet. The name of the Media Outlet.
- Credential Holder(s). The individual name(s) of the Media Outlet’s desired Credential Holders.
- Competition Photography. The name of each Credential Holder, if any, that desires to be credentialed as a “Competition Photographer” (for purposes of having the permission set forth in Section II.5.a below).

4. Credential Approvals. PGA TOUR reserves sole discretion to approve or deny a credential request in whole or in part. If PGA TOUR approves a credential request, PGA TOUR will record the approval in its credentialing system and issue a credential to the approved Credential Holder, setting forth the name of the Credential Holder, his/her Media Outlet and whether the Credential Holder is a Competition Photographer. To receive an issued credential, each Credential Holder and his/her Media Outlet must accept and agree to the approved terms of the credential and these Media Regulations in PGA TOUR’s credentialing system.

5. Areas of Access. The specific areas of a Tournament site that each Credential Holder may access are determined on a Tournament-by-Tournament basis. Access to certain areas is limited (e.g., “inside the ropes” and locker room). A Credential Holder may access on-site areas only as permitted by PGA TOUR for the relevant Tournament.

6. News and Editorial Use Only. A Media Outlet and its Credential

Holder may use information and other content collected at a Tournament pursuant to these Media Regulations solely in the Media Outlet’s news and editorial coverage of the relevant Tournament and/or Tour. Such information and other content: (a) may not be used in any commercial manner (without limiting the sale of non-targeted, standard advertisements on an Approved Platform (as defined in Section II.1 below)); (b) may not be used to imply an official, marketing, endorsement or sponsorship relationship with PGA TOUR or any other Tour, Tournament or player; and (c) may not be sold, distributed, syndicated or licensed to third parties (except pursuant to Section IV.2 below).

7. Integrity and Gambling. To protect the integrity of PGA TOUR and/or Tournament competitions, a Media Outlet and/or Credential Holder shall not capture, collect, distribute or provide to any third party any results, data, content or information at or from a Tournament, or use, distribute or provide to any third party any data provided by PGA TOUR under these Media Regulations, for purposes of or in connection with any gambling, gaming, daily fantasy or similar activity (“Gambling”) unless permitted pursuant to a separate agreement with PGA TOUR. Further, a Media Outlet and/or Credential Holder shall not provide Inside Information (as defined below) to any third party that he or she knew would be used, or should have known would be used, for Gambling on a Tournament. Within these Media Regulations, “Inside Information” means information relating to a Tournament (e.g., the health of a player, the conditions of a course, etc.) that is not publicly available and that a Credential Holder knows due to his or her access to a Tournament under these Media Regulations. However, this Section 7 does not prohibit a Media Outlet and/or Credential Holder from publicly disclosing information and other content collected by the Credential Holder at a Tournament in the course of the Media Outlet’s news and editorial coverage of the relevant Tournament from a Gambling perspective (e.g., publicly analyzing a player’s current form in publicly recommending Gambling picks for a Tournament). In addition, a Credential Holder should not ask PGA TOUR players or caddies questions that would reasonably be expected to lead to a player violating or discussing a violation of the PGA TOUR Integrity Program Manual, which prohibits players from betting on a professional golf event or providing Gambling tips or analyses for a professional golf event, among other things. PGA TOUR will provide the Credential Holder with a copy of the PGA TOUR Integrity Program Manual upon request.

8. Revocation of Credentials. PGA TOUR reserves sole discretion to revoke credentials issued under these Media Regulations, and/or the approved terms of a specific credential, in whole or in part at any time.

SECTION II. CONTENT AND PLATFORMS

1. Approved Platforms. Within these Media Regulations, “Approved Platforms” means, with respect to each Media Outlet: (a) the official publications, television channels, websites, software applications (“apps”) and social media accounts that are operated by the Media Outlet and branded with the brand of the Media Outlet; and (b) the personal social media accounts of the Media Outlet’s Credential Holders (e.g., a reporter’s personal X account); provided, however, that such personal accounts may be used solely in the course of a Credential Holder representing his/her

These Media Regulations establish the terms by which a media outlet and its representatives may request, receive and use credentials to access PGA TOUR tournaments for news and editorial purposes. These Media Regulations form a binding contract between PGA TOUR, Inc. (“PGA TOUR”), a Media Outlet and its Credential Holders (as defined below). In consideration of receiving credentials from PGA TOUR under these Media Regulations, each Media Outlet and its Credential Holders accept and agree to these Media Regulations.

2. Information and Data. a. Collection of Information. A Credential Holder may collect information at Tournaments and report such information via Approved Platforms as part of his/her Media Outlet’s news and editorial coverage of the relevant Tournament and/or Tour, subject to the terms and conditions of these Media Regulations.

b. Use of Data. Any and all feeds of scoring data, statistical information and other data provided by PGA TOUR to a Media Outlet and/or its Credential Holders at a Tournament are provided solely to enhance the Media Outlet’s news and editorial coverage of the Tournament under these Media Regulations (and subject to Section II.9 below). Such data feeds may not be distributed by a Media Outlet and/or Credential Holder in whole or in part unless a separate data license agreement is entered into with PGA TOUR.

3. Video. a. Commentary / Interviews / Press Conferences. A Credential Holder may capture video of (i) commentary by the Credential Holder in the Media Center (e.g., “stand-up” Tournament updates), (ii) one-on-one interviews by the Credential Holder in the Media Center and any “flash” interview areas designated by PGA TOUR staff, and (iii) interviews organized by PGA TOUR Staff in the Media Center interview room and/or in “flash” interview areas (e.g., “press conferences”). A Credential Holder and/or his/her Media Outlet may distribute such video on a live and/or delayed basis via Approved Platforms. A Credential Holder may not capture video of practice or competition rounds, including any activity on the golf course or in the practice areas, unless permitted under the immediately following paragraph.

Such video: (i) may solely be captured for and used in a regularly scheduled news program on such linear channel (and simulcast via the Media Outlet’s digital platforms that are Approved Platforms where such linear channel is simulcast on a 24x7x365 basis); (ii) may not be in excess of three (3) minutes in the aggregate per day from each Tour; and (iii) may not be distributed in any geographic market until PGA TOUR’s broadcaster(s) of the Tournament in such geographic market has concluded its telecast of that day’s live or initial air coverage.

4. Audio. Credential Holder may capture audio of (a) commentary by the Credential Holder in the Media Center (e.g., “stand-up” Tournament updates), (b) one-on-one interviews by the Credential Holder in the Media Center and any “flash” interview areas designated by PGA TOUR staff and (c) interviews organized by PGA TOUR Staff in the Media Center interview room and/or in “flash” interview areas (e.g., “press conferences”). The Credential Holder and/or his/her Media Outlet may distribute such audio on a [live] and/or delayed basis via Approved Platforms. A Credential Holder may not capture “play-by-play” or similar audio descriptions

of practice or competition rounds, including any activity on the golf course or in the practice areas.

5. Photography. a. Competition Photographers. If a Credential Holder is credentialed as a Competition Photographer, he/she may capture photographs on all Tournament days throughout the Tournament site, including of competition.

b. Non-Competition Photographers. If a Credential Holder is not credentialed as a Competition Photographer:

i. Practice Days. On practice days (typically Monday – Wednesday), the Credential Holder may capture photographs throughout the Tournament site, including of practice areas and practice rounds.

ii. Competition Days. On competition days (typically Thursday – Sunday), the Credential Holder may capture photographs solely of the practice areas, in the Media Center and designated interview areas and of non-competition areas of the Tournament site (e.g., hospitality areas).

c. Distribution. A Credential Holder and/or his/her Media Outlet may distribute photographs captured at a Tournament solely via Approved Platforms. Such photographs may not be used with real-time or near real-time information or sequenced to create a “shot by shot” or “hole by hole” account of the day’s play, nor may photos be sequenced in such a way as to approximate video.

6. Drone Use. Drones (or unmanned aircraft systems) may not be used by a Media Outlet and/or its Credentialed Media at PGA TOUR-sanctioned tournaments (across all PGA TOUR-operated tours) at any time during tournament week, including on practice round days. PGA TOUR will consider requests to fly drones at tournaments on a case-by-case basis and expects to approve drone flights at tournaments only in limited circumstances. Drone video of the Tournament course is available via the PGA TOUR Content Hub for Media Outlets and/or its Credentialed Media to download and use per these Media Regulations.

7. Media Days. On Media Days, a Credential Holder may capture video and/or audio of commentary by the Credential Holder, press conferences and interviews by the Credential Holder, and special events at Media Days (e.g., clinics, promotions, etc.). A Credential Holder and/or his/her Media Outlet may distribute such video and/or audio on a live and/or delayed basis via Approved Platforms. Each Credential Holder (whether a Competition or Non-Competition Photographer) may capture photographs of all Media Day activities and distribute such photographs through Approved Platforms as set forth in Section II.5.c immediately above.

8. Timing of Content Distribution. Audio, video, and photos captured at Tournaments may be used and posted in Approved Platforms until (and not after) forty-eight (48) hours following the conclusion of the applicable Tournament. If audio, video, or photos are used or posted in Approved Platforms prior to such deadline, the Media Outlet and/or Credential Holder will not be required to take down such audio, video, or photos after such deadline unless PGA TOUR requests.

9. Archiving and Aggregation. A Media Outlet and/or Credential Holder may not archive, compile or aggregate content collected and captured at a Tournament pursuant to these Media Regulations, including without limitation for purposes of a gallery, program, show, product or service covering PGA TOUR, any other

Tour(s) and/or Tournament(s).

10. No Real-Time Coverage. A Media Outlet and/or Credential Holder's coverage of a Tournament from on site on any platform may not purport to be, approximate or serve as a substitute for play-by-play, hole-by-hole or real-time coverage of a Tournament via PGA TOUR's official or licensed platforms, as determined by PGA TOUR.

11. Promotion of Coverage. A Media Outlet and/or Credential Holder may not advertise, market, promote or imply the offering of "live" coverage of Tournament action (practice or competition) under these Media Regulations.

12. Ownership. As a condition to receiving credentials hereunder and being provided with access to a Tournament, each Media Outlet and Credential Holder acknowledges and agrees that PGA TOUR is the sole owner of all rights, including all copyrights, in and to all audio and video captured at a Tournament (of golf action or otherwise). Each Media Outlet and Credential Holder hereby assigns to PGA TOUR all such rights, provided that each Media Outlet and Credential Holder is hereby authorized to use such audio and video as expressly permitted under these Media Regulations. At PGA TOUR's request., each Media Outlet and Credential Holder will execute any further documentation reasonably requested and provided by PGA TOUR to effect PGA TOUR's ownership of such audio and video. Further, at PGA TOUR's request, each Media Outlet and Credential Holder will provide PGA TOUR with copies of all such audio and video, and all photography it/he/she captured at a Tournament, at PGA TOUR's cost and expense.

13. Credits. Uses of video pursuant to these Media Regulations, where reasonably practicable and customary, shall be made with a courtesy credit to PGA TOUR.

14. Takedowns. PGA TOUR may issue and/or request takedowns of content captured at a Tournament as applicable in the event of any violation of these Media Regulations. Each Media Outlet and Credential Holder agrees to promptly comply with any such request.

15. Other Content and Platforms. Content and platforms not specifically addressed in these Media Regulations, including virtual and augmented reality, may not be captured at a Tournament or used by a Media Outlet and/or Credential Holder unless set forth in a separate written agreement with PGA TOUR.

3. Interview Guidelines. For all Credential Holders:

- Use of interviews must be limited to the person being interviewed.

- On competition days, interviews may be conducted only after the conclusion of the player's round (i.e., after the player has signed his scorecard), unless a prior arrangement is made a pre-round interview. A Credential Holder is not allowed in the scoring area. PGA TOUR staff will seek to make requested and leading players available each day in a designated interview area (typically, near the scoring area and/or in the Media Center).

These Media Regulations are not intended to and do not serve as a waiver of any intellectual property or other rights of PGA TOUR.

8. Reservation of Rights. PGA TOUR reserves all rights not expressly granted to a Media Outlet and/or Credential Holder under these Media Regulations.

9. No Transferability. These Media Regulations, and each credential issued hereunder, may not be transferred, conveyed or assigned by a Media Outlet or Credential Holder.

10. Entire Agreement. These Media Regulations constitute the entire agreement among PGA TOUR, a Media Outlet and its Credential Holders with respect to the matters covered in these Media Regulations and shall supersede all prior written, oral, or implied understandings among them with respect to such matters. Any other terms or conditions proposed by a Media Outlet or Credential Holder are hereby rejected.

HOW WE BECAME WHO WE ARE

THE 2024 CJ CUP BYRON NELSON IS THE 57TH EVENT LEVERAGING MR. NELSON'S NAME. THE FIRST TOURNAMENT BEARING HIS NAME WAS HELD IN 1968 AT PRESTON TRAIL GOLF CLUB IN DALLAS, TEXAS. 2024 MARKS THE FIRST YEAR WITH THE TOURNAMENT'S NEW TITLE SPONSOR, CJ GROUP.

THE CJ CUP Byron Nelson is hosted by Salesmanship Club of Dallas in partnership with Salesmanship Club Charitable Golf of Dallas.

The first golf tournament, the Texas Victory Open, was played at the Lakewood Country Club in 1944. After a 10-year lapse, Oak Cliff Country Club assumed sponsorship of the tournament that evolved into what is now THE CJ CUP Byron Nelson.

Oak Cliff Country Club continued to host the tournament, referred to then as the Dallas Open, until 1966, with only two interruptions during its 10-year sponsorship.

There was no Dallas Open held in 1963, the same year the PGA Championship came to North Texas. That year's final major championship was held at the Dallas Athletic Club with the Salesmanship Club as its local sponsor. Additionally, there was no Dallas Open in 1965 in order to move the event from fall to spring on the PGA TOUR schedule.

After the 1966 tournament, Oak Cliff Country Club returned the sponsor's role to the Salesmanship Club of Dallas, which staged the 1967 event at the Oak Cliff location in accordance with the transfer agreement.

Salesmanship Club of Dallas began a new era in 1968 by renaming the tournament the Byron Nelson Golf Classic, moving it to Preston Trail Golf Club and making the host club a joint sponsor of the event. After 15 years at Preston Trail Golf Club, the tournament relocated to the TPC Four Seasons Resort Las Colinas in Irving, Texas.

When GTE became the event's first title sponsor in 1988, the tournament's name changed to the GTE Byron Nelson Classic. In the summer of 2000, GTE merged with Bell Atlantic to form Verizon Communications, requiring the tournament's name to change again.

In 2003, Salesmanship Club secured the future of the tournament by signing a new agreement with Plano-based company EDS. With the change to a new title sponsor in 2003, tournament officials decided to change the tournament name from Classic to Championship. In 2008, HP acquired EDS and assumed title sponsorship, changing the tournament name to the HP Byron Nelson Championship. In November 2012, the tournament announced that starting in 2015, AT&T would take over as the title sponsor.

The 2017 tournament marked the 35th year that the Four Seasons Resort and Club Las Colinas hosted. 2018 marked the tournament's return to Dallas and inaugural year at Trinity Forest Golf Club. In 2021, the tournament officially announced its move to TPC Craig Ranch in McKinney, Texas. After eight years with AT&T, the CJ Group signed a 10-year deal to become the tournament's newest title sponsor, starting in 2024.

In 2006, we lost our dear friend and tournament namesake, Byron Nelson. The tournament is proud to carry on his legacy of strengthening children and families through its support of Momentous Institute.

HONORING BYRON NELSON

Byron Nelson etched out a career in professional golf unlike any gentleman who played the game before, or any who has played since. While his awe-inspiring accomplishments in the game of golf are widely revered, it was Mr. Nelson's personal qualities such as kindness and dedication that won the respect and admiration of his peers, present-day players and fans of all ages.

THE CJ CUP Byron Nelson was the first PGA TOUR event named in honor of a professional golfer. The decision in 1968 by Salesmanship Club of Dallas officials to name the tournament for Byron Nelson resulted in a happy union for both parties. Mr. Nelson's annual participation in the event was a large reason that the tournament's charitable donations to Momentous Institute have exceeded over \$186 million since its inception.

Byron Nelson's ties to the North Texas area date back to his birth on February 4, 1912, on a cotton farm in Ellis County, near Waxahachie, Texas. Growing up in Fort Worth, Mr. Nelson played golf in the Dallas and Fort Worth areas. He lived at Fairway Ranch in Roanoke, Texas, his home since 1946, with his wife, Peggy.

After retiring from professional golf, Mr. Nelson strived to touch lives in many different ways. He shared his profound knowledge of the game as both a teacher and analyst with his pupils, including six-time PGA TOUR Player of the Year Tom Watson, and 1964 PGA TOUR Player of the Year and 2000 United States President's Cup team captain, Ken Venturi. In 1983, the City of Dallas honored Mr. Nelson for his work on behalf of the tournament and its charity.

The Dallas All-Sports Association (DASA) awarded him the first ever Lamar Hunt Award in 2000, a national honor that is awarded based on longevity and achievement in sports, combined with integrity, character and service to the community. The DASA also saluted Mr. Nelson with its Distinguished Service Award in 1985.

In 1996, Mr. Nelson helped introduce the Byron Nelson Golf School at the Four Seasons Resort and Club Las Colinas by hitting the first ball off the lesson tee. In 1992, he was honored on his 80th birthday by the Four Seasons with the dedication of a 9' 6" bronze likeness.

In addition to winning tournaments and setting records, Mr. Nelson is also remembered for the honor and sportsmanship that he brought to the game. In 1974, he received the Richardson Award, given annually by the Golf Writers Association of America to an individual who has consistently made outstanding contributions to golf. That same year, he received the Bob Jones Award, presented annually for distinguished sportsmanship in golf.

The Memorial Tournament in Muirfield Village, Ohio, honored Mr. Nelson in 1980. Each year, the theme of the Memorial Tournament is centered around a professional golfer who has played the game with conspicuous honor. Mr. Nelson followed Robert T. Jones, Walter Hagen, Francis Ouimet and Gene Sarazen as honorees.

Byron Nelson won 52 PGA TOUR-sanctioned tournaments during his relatively brief professional career, including a record 11 straight victories from March 8 through August 5, 1945. His 52 wins place him sixth on the all-time winners list.

Mr. Nelson died in September, 2006. The day after he died, President George W. Bush signed the bill that awarded Mr. Nelson the Congressional Gold Medal, the nation's highest and most distinguished civilian award, for his humanitarian efforts.

Recorded the lowest season scoring average in golf history in 1945 (68.33), a record that stood for 55 years.

Selected to play on 4 U.S. Ryder Cup teams (1937, 1939, 1941, 1947).

Named U.S. Ryder Cup team captain in 1965.

Elected to the PGA Hall of Fame in 1953.

Elected to the Texas Sports Hall of Fame in 1955.

Elected to World Golf Hall of Fame in 1974.

One of only 7 athletes to be named Athlete of the Year by the Associated Press more than once (1944, 1945). Among golfers, only Nelson and Tiger Woods have won the award more than once.

Leading money winner in 1944 and 1945.

First professional golfer to play 100 rounds in The Masters.

Vardon Trophy winner in 1939 (would have won again in 1944 and 1945, but no trophy was awarded during years of war of 1942-46). The Vardon Trophy is awarded by the PGA of America for the lowest scoring average.

Holds the record for most consecutive top-10 finishes with 65. The record started with the 1942 North-South tournament and ended with the 1946 Pensacola Open when Mr. Nelson was distracted by the closing of the purchase of his ranch by phone.

Any PGA TOUR event played in the spring will endure its share of inclement weather, but throughout the years, THE CJ CUP Byron Nelson has encountered good luck with the elements. Since 1968, the tournament has completed 72 holes in 42 of the 46 events, losing only four complete rounds of golf in that span (two rounds lost in 1994, one each in 1990 and 1992). As unpredictable as the weather may be, THE CJ CUP Byron Nelson always seems to come out a winner. Brief yearly summaries of the weather since the tournament began playing at TPC Craig Ranch:

2021

Course started play in wet conditions due to rain earlier in the week. Thursday and Friday were partly cloudy and breezy with winds gusting up to 18 mph. Temps stayed in the 70's. Saturday was partly sunny and breezy with a high of 81. Winds gusted up to 25 mph. Sunday experienced heavy rain showers and wind. Play was suspended from almost 2.5 hours due to rain and lightning. Temperature stayed in the high 70's. .

2022

Thursday – Sunday were warm with temperature high in the 90's, sunny, and wind ranging from 14–25 mph. Sunday finished with a high of 96.

2023

Mostly cloudy and windy with gusts up to 25 mph. Friday had a delayed start due to inclement weather. The remainder of the day stayed partly cloudy with wind gusts up to 25 mph. Saturday was partly cloudy with wind slightly decreasing to 8–14 mph. Sunday finished with clouds and scattered showers. Jason Day putted 18 in a downpour. Temps stayed in the mid–80's all week.

TOTAL YARDAGE: 7,414 | PAR 71 | YARDAGE FRONT 9: 3,744 | YARDAGE BACK 9: 3,670

No. 1 431 Yards, par 4
You have to make a decision with your tee shot to take on the left fairway bunker or not. The second shot plays about half a club uphill to a blind landing area. The ideal approach shot favors the left side of the green, there is a slope on the middle right side that take the ball to a run off area.

No. 2 466 Yards, par 4
There is more room on the right side off the tee than it appears. Playing down the left side of the fairway will give you a better angle to attack the green. The green slopes right to left, the best miss is either short or long and left.

No. 3 420 Yards, par 4
You can be aggressive off the tee and try to catch the slope behind the bunker to have a short iron approach. If you play safe off the tee and land in the fattest part of the fairway you will have a mid to long iron approach. The green has a false front..

No. 4 219 Yards, par 3
The first of our Par 3's. This hole should be a mid to long iron. Avoid the big bunker short left of the green.

No. 5 569 Yards, par 5
This long par 5 is downwind with the predominant South wind. Long hitters may choose less than driver off the tee. There is more room left once you're inside 150 yards, this also give you the best angle to attack the green. There is a big slope front left of the green, this helps you get close with a front pin location.

No. 6 361 Yards, par 4
This is a short par 4 that brings a lot of strategy into play. The fairway is well protected by bunkers, if you want to attack this hole finding the fairway is a must. If you hit driver off the tee and get to close to the green, attacking a front pin location is difficult. This is one of our smallest greens, be aggressive if find the fairway and have a wedge in your hand.

No. 7 232 Yards, par 3
This is a large green that slopes back to front. It is best to miss your tee shot short right, this will give you the best opportunity to get up and down.

No. 8 482 Yards, par 4
The more room right off the tee than first appears but playing down the left side of the fairway gives you the best angle for your approach shot. Short left is the best miss.

No. 9 564 Yards, par 5
This is a tough tee shot on a windy day because of the forced carry. Plenty of room right off the tee, playing down the left side will result in more run out and better angle to the green. The big decision you have to make is with your lay up, being aggressive and taking on the creek opens up the green for third shot. This green has three tiers, distance and spin control with your wedge shot is a must

No. 10 471 Yards, par 4
This hole normally plays down wind. Avoiding the fairways bunkers allows you to attack this green. This green is large with subtle breaks, making reading putts difficult.

No. 11 457 Yards, par 4
The tee shot is tougher than it looks, it plays uphill and normally has a left to right wind. The second shot plays at least a club more and you can not see the putting surface. The green slopes back to front so the preferred miss is short..

No. 12 493 Yards, par 4
The ideal tee short is down the left side of the fairway, the fairway slope left to right. The longer player can attack this green in two, Most players will lay up short of the creek. The front half of the green slops back to back to front, the back half slope hard right to left.

No. 13 512 Yards, par 4
This is probably the toughest par four on the course. The tee shot plays uphill and has a big forced carry over bunkers and a creek. There is a bail out left for shorter hitters. The green is protected both front and back with bunker, missing short and left will give you the best chance for getting up and down. The green has a ridge running through it, front to back.

No. 14 330 Yards, par 4
This short par four is a through risk/reward hole. The shorter hitters have to decide what yardage second shot they want to have, there is more room right off the tee than appears. Most big hitter will take on the green, the bunkers right are always there to catch a bail out shot. This is one of our most undulated greens, you have to be accurate with your wedges if you want to make birdie.

No. 15 216 Yards, par 3
This is a mid to long iron par three, with the water down the left side the bunkers right see a lot of action. The green has a ridge that runs up the middle from front to back that creates a bowl for middle front pins.

No. 16 492 Yards, par 4
A long and testing par four, into the wind this hole will challenge the best of players. You have to avoid the bunkers down the left if you want to hit this green in two. The bunkers front right hide what is one of the biggest greens on the course. Hitting the middle of this green is never a bad play. There is a severe slope on the left side of the green, and getting up and down from the chipping area is hard.

No. 17 147 Yards, par 3
A true sleeper par 3, don't let the yardage fool you. The wind will make hitting this green a true test. Any shot coming up short will be punished by the false front on the green and may roll back into the front bunker.

No. 18 552 Yards, par 5
Another risk/reward hole to finish, there is a large landing area for those who have to lay up. The longer hitter off the tee will have an approach shot between 220-250 to the middle of the green. This green has two distinct levels, and if you want to make birdie being on the correct level is a must.
