## **Brandt Snedeker named U.S. Team captain's assistant for 2024 Presidents Cup**

*Snedeker to join Stewart Cink, Justin Leonard and Kevin Kisner in Montreal*

**MONTREAL, Quebec, Canada** – U.S. Team Captain Jim Furyk announced Brandt Snedeker as his fourth captain's assistant for the 2024 Presidents Cup. Snedeker, who was honored with the Payne Stewart Award presented by Southern Company last month, will join fellow assistants Stewart Cink, Justin Leonard and Kevin Kisner when the Presidents Cup returns to The Royal Montreal Golf Club in Montreal, Canada, Sept. 24-29. Keegan Bradley, who was previously named as a captain's assistant in August, was one of Furyk's six captain's picks to round out his 12-player U.S. Team.

Snedeker, 43, represented the U.S. Team in the 2013 Presidents Cup at Muirfield Village Golf Club in Dublin, Ohio, compiling a 2-3-0 record. The Tennessee native also played for the United States in the 2012 and 2016 Ryder Cups, where he amassed a 4-2-0 record. Snedeker, who will be a first-time captain's assistant in the Presidents Cup, was named one Bradley's vice captains for the 2025 Ryder Cup.

"I enjoyed competing together with Brandt at the 2012 Ryder Cup at Medinah. He is a fierce competitor, great teammate and one of the most respected players on the PGA TOUR. He will provide a steady voice in the team room, and I will rely on him for insight and advice as we lead our 12 players into Montreal at the end of the month," said Furyk.

Snedeker owns nine career wins on the PGA TOUR, including the 2012 TOUR Championship, where he also won the FedExCup. The former Vanderbilt University standout is one of just 13 players in PGA TOUR history to card a sub-60 round, doing so at the 2018 Wyndham Championship, where a first-round 59 helped him collect his ninth title.

"I was honored to get the call from Jim and thrilled to accept this role as one of his captain's assistants for the Presidents Cup," said Snedeker. "He's someone I've looked up to throughout my career and I know will be a strong leader for the U.S. Team at Royal Montreal. My goal is to add a trusted voice to our players throughout the week and do everything I can to help us pull out the win."

### **About the Presidents Cup**

The Presidents Cup is a biennial global team competition between the United States and an International team that represents the rest of the world excluding Europe. The competition, which is contested by the PGA TOUR, alternates between venues in the U.S. and overseas. The Presidents Cup will return to The Royal Montreal Golf Club in Montreal, Quebec, Canada, September 24-29, 2024. Since the event's inception in 1994, more than \$56 million has been raised for charity from event proceeds, as well as contributions made on behalf of the Presidents Cup. Cognizant, 1Password and Rolex are the exclusive Global Partners of the Presidents Cup. Follow us on [Facebook](#), [Twitter](#) and [Instagram](#), or visit [PresidentsCup.com](https://www.PresidentsCup.com) for more information.

### **About Rolex**

An unrivalled reputation for quality and expertise. Rolex is an integrated and independent Swiss watch manufacture. Headquartered in Geneva, the brand is recognized the world over for its expertise and the quality of its products – symbols of excellence, elegance and prestige. The movements of its Oyster Perpetual and Perpetual watches are certified by COSC, then tested in-house for their precision, performance and reliability. The Superlative Chronometer certification, symbolized by the green seal, confirms that each watch has successfully undergone tests conducted by Rolex in its own laboratories according to its own criteria. These are periodically validated by an independent external organization.

The word 'Perpetual' is inscribed on every Rolex Oyster watch. But more than just a word on a dial, it is a philosophy that embodies the company's vision and values. Hans Wilsdorf, the founder of the company, instilled a notion of perpetual excellence that would drive the company forward. This led Rolex to pioneer the development of the wristwatch and numerous major watchmaking innovations, such as the Oyster, the first waterproof wristwatch, launched in 1926, and the Perpetual rotor self-winding mechanism, invented in 1931. In the course of its history, Rolex has registered over 600 patents. At its four sites in Switzerland, the brand designs, develops and produces the majority of its watch components, from the casting of the gold alloys to the machining, crafting, assembly and finishing of the movement, case, dial and bracelet. Furthermore, the brand is actively involved in supporting the arts and culture, sport and exploration, as well as those who are devising solutions to preserve the planet.

### **About 1Password**

Trusted by over 150,000 businesses and millions of consumers, 1Password offers identity security and access management solutions built for the way people work and live today. 1Password is on a mission to eliminate the conflict between security and productivity while securing every sign-in for every app on every device. As the provider of the most-used enterprise password manager, 1Password continues to innovate on its strong foundation to offer security solutions relied upon by companies of all sizes, including Associated Press, Salesforce, GitLab, Under Armour, and Intercom.
