

Northern Trust Open

6AM Weather Update Thursday Feb 19, 2009

Synopsis: Fantastic weather is expected for the first round of the Northern Trust Open today with sunny skies and warmer temperatures. Today's high is forecast to reach the upper 60s with light northeast winds this morning shifting to the southwest by this afternoon. Similar weather conditions can be expected for Friday with a high near 70 degrees. The weekend forecast calls for dry conditions on Saturday with a slight chance of light showers on Sunday. Temperatures will remain very seasonal through the weekend with highs reaching the upper 60s to lower 70s each day.
