## OMEGA MISSION HILLS WORLD CUP

7 AM UPDATE

SATURDAY, NOVEMBER 28 , 2009

### Weather Synopsis

Today, mix of clouds and sunshine to start then decreasing clouds by mid afternoon as temperatures will reach a humid 24 degrees. Winds will be light once again out of the ENE. Tonight, slight chance of a passing shower as cooler air from the northeast will begin to move into the region. Also, a small threat for patchy areas of fog around sunrise. Sunday, winds will increase out of the NNE and weather conditions will improve slightly as NE Monsoon starts back up in the area.
