

Synopsis: Weak on-shore flow will continue to provide low clouds and patchy fog each morning through the weekend. The cloud cover will begin to break along the coast during the early afternoon hours. This will allow for some sunshine each afternoon with a mix of sun and clouds. Temperatures will remain on the cool side with highs in the upper 50's at the course and upper 60's inland.

Today:

9AM: Mostly cloudy and cool.
Temp: 55F RH:77%
Winds: SW 3-6 mph

Noon: Mostly cloudy and cool.
Temp: 57F RH: 71%
