

The Presidents Cup

8AM Weather Update: Sunday, October 11, 2009

Synopsis: Low cloudiness across the area will hang tough along the golf course and coast throughout the day. This will keep temperatures on the cool side with highs barely reaching the mid 50's. The winds will be light this morning and increase to 5-15 mph this afternoon. A strong storm system will bring heavy rain and wind to San Francisco Monday Night into Tuesday. 1 to 3 inches of rain can be expected with this system.
