The Honda Classic 7AM Weather Update Saturday Mar 7, 2009

Synopsis: High pressure to our north will continue to influence the weather across the state over the next several days. Easterly winds of 10-20mph are expected today, but should diminish a touch by Sunday. Temperatures will be near seasonal norms this weekend with highs in the upper 70s to lower 80s.

DST begins tonight, turn your clocks forward 1 hour tonight
