ShotLink Keys to Victory for Sergio Garcia

- ◆ Last years THE PLAYERS champion Sergio Garcia gave us all a clinic from tee to green at THE PLAYERS Stadium Course. Not only did he lead the field in driving accuracy but he also led the field in greens in regulation.
- ◆ From the tee he averaged just shy of 10.75 fairways hit per round while the field averaged 8.75 (2 more fairways per round than the field). For the event, he hit 77% (1st) of the 56 fairways compared to his 2008 season average of 59% where he ranked 153rd on TOUR.
- ◆ Sergio hit 19 consecutive fairways from the tee starting on the 5th hole of the first round (longest streak of the week) including going a perfect 14 of 14 from the tee in the 2nd round (his 7th career occurrence of hitting every fairway in a round on TOUR).
- ◆ Providing himself with more scoring opportunities from the tee than anyone in the field, Garcia led the field for most greens hit, averaging 14 greens hit per round (78%) compared to the field average of 10.25 greens (57%) hit per round (3.75 more greens per round).
- ◆ Sergio Garcia relied on the par 5's for his scoring opportunities at the 2008 THE PLAYERS, ranking 2nd in par 5 performance for the week at 9 under par (field average 4 under par).
- ◆ Garcia's success on the par 5's can be attributed to his aggressiveness. For the week, he went for it on 12 of 16 (T-7th) par 5's played converting 8 of his 9 total par 5 birdies when going for it in 2 (66% birdie percentage when going for it – T-9th).
- ◆ On the greens, Garcia averaged 31 putts per round (69th in the field) while the field averaged 29.21 (almost 2 fewer putts per round). However, Garcia made the putts in the final round when he needed it most.
- ◆ During the first 3 rounds of play Garcia converted 2 putts over 10 feet for a total of 198 ft. 2 in. of putts made. However, Garcia made 3 putts over 10 feet in the final 10 holes of play for a total of 126 ft. 10 in. of putts made in the final round.

Hole #9 - Par 5 – 583 Yards

Highest Score: 10 (T. Clark – '08, Rd 2)

Lowest Score: 3 (24 total eagles)

- ◆ Since 1983 there have been 24 total eagles recorded on the 9th hole. No player in tournament history has eagled this hole more than once.
- ◆ In the past 6 years, there have only been 3 eagles recorded (A. Baddeley, S. Garcia, D.J. Trahan). Trahan is the only player to make a putt for eagle (3 ft 4 in); the other 2 players holed out on their 3rd shots).
- ◆ Since 2003, the average distance to the pin remaining for a player's 3rd shot is 102 yards. The interesting part of this is only 63% of the players hit the green in regulation on their 3rd shots. In 2008, the TOUR average for greens in regulation from inside 125 yards was 83% (over 20% difference).

- ◆ In 2008, only 44% of the field was able to hit the 13th green in regulation. This is the hardest the 13th hole has played since 1992 when we began tracking this data.
- ◆ Not only was it a difficult green to hit but it was difficult to get it close. Players averaged just over 40 feet to the pin in 2008. This is the longest proximity to the hole on the 13th since 2003.
- ◆ Once on the green, players are still faced with one of the toughest putting greens on the course. Since 1992, there have been a total of 574 three-putts on the 13th green (more than any hole on the course).
- ◆ Since 1992, only 6 players who have played the 13th hole more than 20 times have yet to record a 3-putt.
