## Course Fun Facts

### #1 PAR 5 560 YARDS

To the casual golfer, it is hard to imagine a heavily-bunkered hole that spans 560 yards could be easy - but in relation to par the 1<sup>st</sup> hole traditionally ranks as the easiest on the course. Sean O'Hair began last year's rally to victory with a birdie here.

### #2 PAR 4 435 YARDS

This hole was lengthened several years ago and as a result the pros began having to use driver off the tee more often to drive the ball to the dogleg for a look at the green. As a result more and more wayward drives began to wander into the water on the right or the woods on the left and scores have edged higher.

### #3 PAR 4 455 YARDS

It isn't often that a 455-yard hole dictates a layup off the tee, but many pros prefer not to challenge the water hazard. The hole ranks as the third-hardest on the course in tournament play and has been the hardest to birdie.

### #4 PAR 3 195 YARDS

If they hit the ball on the green, the pros will want to be short and left of the hole for a more makeable uphill putt. But the fronting bunker is not a favored destination. There never has been a hole-in-one here in more than 3,000 tee shots in tournament play.

### #5 PAR 5 605 YARDS

With an uphill drive and blind second shot, this is one of the few par 5 holes that today's pros rarely reach in two. All of the other par 5's on the Copperhead have been eagled at least 30 times in tournament play, the 5<sup>th</sup> has yielded only five. One of those was by Ryuji Imada in the 3<sup>rd</sup> round last year on his way to a runner-up finish.

## #6 PAR 4 465 YARDS

It may look to you like the fairway slopes down too far to the left that it would be impossible to hold a drive. Well, it's not quite impossible, but even the best players in the world often end up down along the tree line or even worse. It ranks as the second-hardest hole on the course, although Mark Calcavecchia made a nice birdie here on his way to victory in 2007.

## #7 PAR 4 420 YARDS

This is a fine golf hole, but compared to the terror that precedes it, the 7<sup>th</sup> can seem tame. With the green sloping sharply downwards, if the ball is behind the green, the best shot is to be just under the hole.

## #8 PAR 3 235 YARDS

A long par 3, the 8<sup>th</sup> presents a severe challenge to birdie for even the finest golfers. Only one hole in one has been recorded here. That came from Stewart Cink in 2003.

## #9 PAR 4 430 YARDS

With an uphill second shot, this is a challenging test that ranks near the middle of difficulty among the 18 great holes that make up the Copperhead. The last two winners have been happy to make par here on all four days and move on to the back nine.

## 10<sup>TH</sup> HOLE PAR 4 445 YARDS

The back nine at Copperhead starts with this downhill par 4. It usually ranks as one of the toughest holes on the course to birdie. Vijay Singh started a run of three straight birdies here in the 1st round in 2004 as he shot 65 and went on to set the tournament record with his winning score of 18 under par.

## 11<sup>TH</sup> HOLE PAR 5 575 YARDS

Even at 575 yards, the big-hitters can usually get close to this green in two, but holding their shots on the putting surface can be difficult with all the fronting bunkers. Sean O'Hair won the 2008 tournament with a final score of 4 under—and he went 3 under alone on the 11th with birdies in all but the second round.

**12<sup>TH</sup> HOLE**      **PAR 4**      **380 YARDS**

Relatively short for a par 4, the 12th has yielded more birdies than any hole on the course that isn't a par 5—but with the fronting water and tough bunker, a big score is also possible.

**13<sup>TH</sup> HOLE**      **PAR 3**      **200 YARDS**

Even with the best pros, many tee shots come up short of the green and in the water. There have been nearly as many scores of double bogey or higher here as on the other four par 3's combined. Winner Mark Calcavecchia took over the 2007 tournament with a birdie here.

**14<sup>TH</sup> HOLE**      **PAR 5**      **590 YARDS**

This “double dog leg” par 5 is literally a signature hole with Innisbrook spelled out in the planting about 100 yards short of the green. Carl Pettersson had his only birdie during the back nine of his winning final round here at 14.

**15<sup>TH</sup> HOLE**      **PAR 3**      **215 YARDS**

This is the only hole on the course that has never had a score of triple bogey or higher. Mathias Gronberg had the only hole in one, back in 2004.

**16<sup>TH</sup> HOLE**      **PAR 4**      **475 YARDS**

Just like an average golfer, many of the top pros leave their drives in the water down the right side of the fairway. It ranks as the hardest hole on the course with nearly twice as many of double bogey or higher than any other. John Huston made a big birdie here in winning the first PGA TOUR event on the Copperhead in 2000.

**17<sup>TH</sup> HOLE**      **PAR 3**      **215 YARDS**

The top pros find this hole relatively easy to make par on, but hard to birdie. It is the only hole with more than one hole in one with Jonathan Kaye in 2004 and Ryan Moore in 2007 producing aces.

**18<sup>TH</sup> HOLE**      **PAR 4**      **445 YARDS**

A demanding hole that will still reward two well-struck shots, the 18th has seen its share of final round golf drama. Mark Calcavecchia survived a final round bogey here when Heath Slocum also made five.

## 2008 – O'HAIR WINS IN WIND

Overcoming windy weather that drove scores to their highest level ever on the Copperhead, Sean O'Hair claimed a two-shot victory over a pack of six golfers with a score of 4-under, the highest ever to win the tournament.

O'Hair's final round 69 enabled him to make up five shots on third-round leader Stewart Cink who had a two-shot lead through 54 holes (three ahead of O'Hair).

It was the second PGA TOUR victory for the 25-year-old O'Hair, who also became the youngest winner in tournament history

## 2007 – CALCAVECCHIA SURVIVES 72<sup>ND</sup> HOLE TO WIN PODS CHAMPIONSHIP

Veteran pro Mark Calcavecchia survived a 72<sup>nd</sup> hole bogey to win the 2007 PODS Championship by one shot over Heath Slocum and John Senden. The victory was the 13<sup>th</sup> of his career and pushed him to more than \$20 million in career earnings.

Calcavecchia overcame an opening round 75 to win the tournament, with his big move coming on Saturday when he tied the Copperhead Course record with a sizzling 9-under-par 62.

On Sunday, Calcavecchia played steady golf to after a birdie on the second hole. At one point his lead expanded to three shots, but it was only one over playing partner Slocum as they played the final hole. Calc missed a seven-foot par putt to give Slocum a chance to force a tie with a par, but Heath's four-foot attempt slid by the hole and Calcavecchia was the winner.

## 2006 – CHOI WINS AGAIN

K.J. Choi became the first golfer to win two PGA TOUR events on the Copperhead as he pulled away from the field in the final round for a four-shot victory in the final fall event at Innisbrook

He started the final round with a two-shot lead and then served further notice he would be hard to catch by eagling the first hole. His bogey-free back nine included a birdie at the 18<sup>th</sup> for a four-under 67. Brett Wetterich closed with a 66 to earn a tie for second with Paul Goydos. With his performance, Goydos vaulted from #160 on the PGA TOUR Money List to #97 and earned his card for 2007.

Ernie Els, two back when Sunday started, struggled with a final round 72, but his 6<sup>th</sup>-place finish was still good enough to earn a spot in The TOUR Championship.

## 2005 – PETTERSSON MAKES CHRYSLER CHAMPIONSHIP HIS FIRST PGA VICTORY

Carl Pettersson held off a late charge by Chad Campbell to win the 2005 Chrysler Championship by one stroke. The native of Sweden was tied with Steve Lowery for the lead at 9-under par through three rounds and then calmly put together 16 pars en route to an even-par 71 on Sunday. Lowery faded on the front nine, but Pettersson still needed steady play down the stretch to hold off Campbell who birdied five holes on the back nine. The talented Texan would have caught Pettersson but for a bogey on the 16<sup>th</sup> hole, but he still vaulted into the top 30 on the PGA TOUR's money list and clinched a spot in the TOUR Championship.

1	Carl Pettersson	-9	69-68-67-71	275	\$954,000

## 2004 - SINGH TOPS \$10 MILLION WITH RECORD WIN

Vijay Singh further established himself as the top player in the world in winning the second Chrysler Championship in record fashion on October 31, 2004. Firing a 6-under-par 65 in the final round, Singh pulled away from fellow competitor Tommy Armour III on the back nine for a five-shot win. His 72-hole score of 266 was a tournament record by one shot over K.J. Choi's total in 2002.

With the win Singh pocketed \$900,000 and became the first PGA TOUR golfer to win \$10 million in one season. It was his 9th victory of the year and the 24th of his career.

Singh was a major figure in the tournament from the opening round when he shot 65, although the Thursday lead belonged to Jeff Sluman who shot a course-record 9-under 62. Singh moved into the lead in the 3rd round with a 67, one ahead of Armour. He furthered his advantage with birdies on the first two holes Sunday and carried a 3-shot advantage into the final hole. He ended the tournament with a flourish making birdie, while Armour took bogey to fall into a second-place tie with Jesper Parnevik.

### 2003 - GOOSEN WINS FIRST CHRYSLER CHAMPIONSHIP

Retief Goosen, the 10th-ranked player in the world coming into the event, vaulted into the top 10 on the 2003 PGA TOUR Money List with a three-shot victory on November 1, 2003 in the first Chrysler Championship. Goosen matched TOUR money leader Vijay Singh, who finished second, with a final round 1-under par 70 to finish at 12-under 272.

Singh closed to within one shot of Goosen after 12 holes, but Goosen birdied the 13th and 14th holes while Singh parred to build back his lead to three. Goosen won \$864,000 for his efforts while Singh banked \$518,400. Singh widened his lead on the Money List to \$768,494 and went on to clinch his first money title the following week at the TOUR Championship.

The victory was the third for Goosen on the PGA TOUR and his 19th worldwide. Three of the top eight finishers in the tournament rank in the top 10 of the Official World Rankings – Singh 2nd , Davis Love III 4th and Goosen 10th
