8:00AM Weather Update: Sunday, March 22, 2009

Synopsis: High pressure over the Mid-Atlantic States will provide another partly cloudy and breezy day across the area. Temperatures should warm into the mid to upper 70's this afternoon after starting the day in the upper 50's. NE winds of 10-15 will gust at times to 20 mph. A weak disturbance will rotate around the high late tonight into tomorrow. This will produce a slight chance of showers on Monday.
