## 7AM Weather Update Friday May 1, 2009

**Synopsis:** Today's forecast calls for mostly cloudy skies and breezy conditions with an afternoon high in the upper 70s. A few light showers will be possible during the morning hours, then scattered pop-up thunderstorms will be possible this afternoon. Unsettled weather will continue into the weekend as a frontal boundary stalls just to our north. Latest data suggests a little better chance of scattered thunderstorms on Saturday with only isolated thunderstorms possible on Sunday.
