

Hyundai Tournament of Champions

1pm Weather Update Monday Jan 7, 2013

Synopsis:

The strong high pressure system north of the islands continues to produce gusty winds, but this system should begin to weaken which will result in a gradual decline in the wind speeds by Tuesday. Sustained winds of 20-30mph this afternoon will gust as high as 35-40mph at times under mostly sunny skies. Tuesday's forecast calls for a slight chance of morning showers with winds at 15-25mph gusting over 30mph at times.
