## ELIGIBILITY CRITERIA:

### U.S. TEAM

The top 10 U.S. players who earned the most official PGA TOUR money beginning with the 2011 TOUR Championship by Coca-Cola through the 2013 Deutsche Bank Championships (ending Monday, Sept. 2), weighted as follows:

2011-2012           \$1 = 1 point

2013                 \$1 = 2 points

Plus two Captain's selections made on Tuesday, Sept 4, 2013.

### INTERNATIONAL TEAM

The top 10 international players (excluding those eligible for the European Ryder Cup team) from the Official World Golf Ranking as of Monday, Sept. 2, 2013 (post-Deutsche Bank Championship), and two Captain's selections made on Wednesday, Sept. 4, 2013.

## FORMAT:

The Presidents Cup competition consists of 34 matches:

- Thursday – 6 Four-ball matches
- Friday – 6 Foursome matches
- Saturday morning – 5 Four-ball matches
- Saturday afternoon – 5 Foursome matches
- Sunday – 12 Singles matches

All matches are worth one point each, for a total of 34 points. There are no playoffs for Foursomes or Four-ball, with each side receiving a half point if the match is tied after 18 holes. Singles matches tied after 18 holes will go to extra holes until a team winner is determined. In a change inspired by the events of The Presidents Cup 2003, if the match is deadlocked at the end of Singles play, the competition will be deemed a tie and the teams will share The Presidents Cup.

## TELEVISION COVERAGE:

The Presidents Cup is projected to be broadcast in 225 countries and territories, to nearly 800 million homes, and in 30 different languages. The U.S. broadcast will be hosted by NBC, with broadcasts on Golf Channel (Thursday, 12-6 p.m. ET; Friday, 1-6 p.m. ET) and NBC (Saturday, 8 a.m. – 6 p.m.; Sunday 12-6 p.m. ET).

## PURSE:

Unlike many other events, the players do not receive prize money based on performance. Instead, the PGA TOUR pledges to contribute to charities, which are nominated by the players, captains and captains' assistants from both teams.

## CHARITABLE DISTRIBUTIONS:

1994 – US \$750,000 | 1996 – US \$800,000 | 1998 – US \$2.9 million | 2000 – US \$2.8 million  
2003 – US \$2.8 million | 2005 – US \$3.5 million | 2007 – US \$4.2 million | 2009 – US \$4.2 million  
2011 – US \$4.5 million

Additional donations were made to The First Tee of San Francisco and the Victorian Bushfire Appeal in 2009 and to the Premier's Disaster Relief Appeal (following the Queensland floods) and New Zealand Earthquake disaster relief in 2011, as well as to additional Victorian-based charities, bringing the total amount generated for charity to more than \$27 million (US).

## TROPHY:

Created by Tiffany & Company, The Presidents Cup trophy weighs a total of 28 pounds. The trophy is spun by a spinner from five sterling silver circles into five different shapes. The spun components then are put together by a silversmith to create a cup. The smith runs a roller die to create the beaded embellishment that goes around the cup and the foot of the trophy. The oval logo is etched and applied on the cup. Labor dedicated to creating the trophy totaled 80 hours (spinning, smithing, finishing). The entire trophy is vermeil in 24-carat gold, and the original trophy is housed at the World Golf Hall of Fame in St. Augustine, Fla.

# Glossary of Match-Play Terminology

**Team:** The team is the entire 12 players and captain(s).

**Match Play:** Match Play is the game played by holes.

**Advice:** Any counsel or suggestion that could influence a player in determining his play, the choice of a club or the method of making a stroke. Each team may appoint one person who may give advice to members of that team. Such person must be identified to the Committee before giving advice.

**Side (not team):** A side is a player, or two or more players who are partners (Foursomes or Four-ball)

**Partner:** A partner is a player associated with another player on the same side.

**Opponent:** In match play it is never a competitor, always an opponent or player.

**Four-Ball (not Best Ball):** A Four-ball match is when two play their better ball against the better ball of two other players.

**Order of Play in Four-Ball:** The balls belonging to the same side may be played in the order the side considers best.

**Foursomes:** A Foursomes match is when two play against two, and each side plays one ball. Players alternate hitting tee shots.

**Singles (not individual):** A singles match is when one plays against another.

**Committee:** "The Committee" is the committee in charge of the competition.

**Referee:** The referee is one who is appointed by the committee to accompany players to decide questions of fact and apply the Rules. He shall act on any breach of a Rule that he observes or is reported to him. A referee's decision is final.

**Observer:** An observer is one who is appointed by the Committee to assist a referee to decide questions of fact and report to him any breach of a Rule.

**Honorary Observer:** An honorary observer is one who is appointed by the Committee to assist the observer.

**Reckoning of Hole (status of match):** Reckoning of holes is kept by the terms: so many "holes up," or "all square" and so many "holes to play."

**Halved Hole:** A hole is halved when each side holes out in the same number of strokes.

**All Square:** A match is all square when each side has won the same number of holes as the other side, or when each hole has been halved.

**Dormie:** A match is dormie when a side is as many holes up as there are holes remaining to be played.

**Concession of next stroke, hole or match (Rule 2-4):** When the opponent's ball is at rest or is deemed to be at rest under Rule 16-2, the player may concede the opponent to have holed out with his next stroke and the ball may be removed by either side with a club or otherwise. A player may concede a hole or a match at any time prior to the conclusion of the hole or the match. Concession of a stroke, hole or match may not be declined or withdrawn.

**Claims (Rule 2-5):** Any claim or dispute which arises between sides shall be made to the referee before any player in the match play from the next teeing ground or, in the case of the last hole of the match, before all players in the match leave the putting green.

**Practice (Rule 7) is allowed as follows:**

1. Before or between rounds, a player or players may practice on the course.
2. During the round, a player shall not practice either during the play of a hole or between the play of two holes, except that, between play of two holes, the player may practice putting or chipping on or near the putting green of the last hole played, any practice putting green or the teeing ground of the next hole to be played in the round, provided such practice stroke is not played from a hazard and does not unduly delay play. Strokes played in continuing the play of a hole, the result in which has been decided, are not practice strokes.

Fred Couples owns 15 victories on the PGA TOUR, including the 1992 Masters Tournament and the 1984 and 1996 PLAYERS Championship, and was 1991 and 1992 PGA TOUR Player of the Year and Vardon Trophy winner. Since turning 50 in October 2009, Couples has accumulated seven wins on the Champions Tour, including the 2011 Constellation Senior PLAYERS Championship, his first Champions Tour major, and the 2012 Mississippi Gulf Resort Classic. In addition to his four appearances on the U.S. Presidents Cup Team as a competitor and two previous as captain, he competed on the U.S. Ryder Cup Team five times (1989, 1991, 1993, 1995, 1997). The Americans currently hold a 7-1-1 record in the competition, with Couples leading the U.S. Team to victory in 2009 and 2011.

Couples and Price actually matched up against each other twice in their Presidents Cup playing careers, both times at the first Presidents Cup in 1994. Couples and Davis Love III def. Price and Bradley Hughes, 1 up, in the Day One Four-Ball Matches. Couples and Price squared off again that year in Singles, with Couples coming out on top, 1 up. Couples compiled a 9-5-2 record his Presidents Cup career, compared to Price at 8-11-4.

## NICK PRICE

Zimbabwe

**HEIGHT:** 6-0

**WEIGHT:** 190

**BIRTHDATE:** January 28, 1957

**BIRTHPLACE:** Durban, South Africa

**RESIDENCE:** Hobe Sound, FL

**TURNED PROFESSIONAL:** 1977

**CAPTAIN,  
INTERNATIONAL TEAM**

An 18-time winner on the PGA TOUR, including three major championship triumphs, Price also collected 29 international victories in a professional career that began in South Africa in 1977. After claiming the 1992 PGA Championship, Price enjoyed his best season in 1993, winning four times, highlighted by a five-stroke victory at THE PLAYERS Championship, and was named PGA TOUR Player of the Year. As an encore in 1994, Price enjoyed one of the most prolific seasons in TOUR history, winning six times, including the British Open and PGA Championship, en route to being named PGA TOUR Player of the Year for a second consecutive season and reaching No. 1 in the Official World Golf Ranking. Price, who was inducted into the World Golf Hall of Fame in 2003, has four Champions Tour victories to date.

The Presidents Cup 2009 marked the first time in event history that both captains, Couples and Greg Norman, were former participants in The Presidents Cup. With his appointment as International Team captain, Price now has the distinction of being the captain with the most Presidents Cup experience as a player. He competed for the International Team a total of five times (1994, 1996, 1998, 2000 and 2003), compared to Couples' four appearances (1994, 1996, 1998, 2005) and Norman's three (1996, 1998, 2000).

# Muirfield Village Golf Club Hole-by-Hole

Scenic of Muirfield Village Golf Club, Dublin, Ohio

## *Hole descriptions provided by Jack Nicklaus*

### **Hole 1 – Par 4, 470 yards**

There is nothing more special than standing on the first tee of an international team event, representing your country. There are also very few moments in a career where pulling the club back for the first time is harder. The good thing is No. 1 is a welcoming hole to open a round. It is a slight dogleg right and players drive from an elevated tee to a generous fairway that slopes from right to left. While the fairway is wide, two bunkers guard the right side of the dogleg while a creek runs down through the woods along the entire left side of the hole. The green is the largest on the course but it is beautifully guarded by four bunkers to the left, right and rear.

### **Hole 2 – Par 4, 455 yards**

If the first hole welcomes you to Muirfield Village, the second gets your attention right away. It is one of the most demanding par 4s on the course. A creek bisects the hole just off the tee and then flanks the entire right side of the hole from 100 yards out to guard the near right side and rear of the green. Thick stands of trees can come into play on the left side of this downhill tee shot. The green is bunkered on the front right and rear left. The result is that the player must favor the right side of the landing area, which can bring the water into play. Accuracy, not distance, is of primary importance here.

### **Hole 3 – Par 4, 401 yards**

This is one of the most beautiful holes at Muirfield Village—which, although I am biased, it says something—and yet it is deceptively difficult. I have always felt that golf is a more pleasant game played downhill, a philosophy influenced by my time spent with Pete Dye. So, on this hole, players drive from an elevated tee to a generous fairway. A drive hit too far left risks finding a creek and trees that block the approach, which is a demanding one, as players must navigate a lake fronting the green to a small, two-tiered green tucked against a hillside.

### **Hole 4 – Par 3, 200 yards**

While a match will still be in its infancy at the 4th, the first of the four par 3s at Muirfield Village is an early test of a player's skill and nerves, so this hole could create some movement on the scoreboard. The tee shot generally requires a long iron. The hole plays fairly level to a long, narrow green that is guarded by four bunkers. The green is cut into a hillside, making it an excellent hole for the galleries. Players must take great care to avoid missing the green or the chance for recovery is difficult.

# Muirfield Village Golf Club Hole-by-Hole

## Hole 5 – Par 5, 527 yards

The fifth hole plays downhill between wooded hillsides on both sides of the hole. Some 300 yards off the tee, a creek that borders the left side of the fairway turns into the fairway, which it bisects all the way to the putting surface. The creek protects the left side of the green, which is bunkered on the right and left rear. The green, which is one of the most contoured on the course, is also one of the smallest. The ideal tee shot is down the right side, which gives you the best angle for the approach. There will be many birdies here during the matches and a great opportunity for eagle.

## Hole 6 – Par 4, 447 yards

The fifth hole plays downhill between wooded hillsides on both sides of the hole. Some 300 yards off the tee, a creek that borders the left side of the fairway turns into the fairway, which it bisects all the way to the putting surface. The creek protects the left side of the green, which is bunkered on the right and left rear. The green, which is one of the most contoured on the course, is also one of the smallest. The ideal tee shot is down the right side, which gives you the best angle for the approach. There will be many birdies here during the matches and a great opportunity for eagle.

## Hole 7 – Par 5, 563 yards

This is an exposed, elevated, bunker-lined, double-dogleg hole, reachable in two by a long hitter. A rough-grassed swale sweeps from the right side across in front of the green. Bunkers guard the front left and right, and rear right of the putting surface, which breaks significantly to the left toward a wooded ravine. This is an easy hole to birdie if played properly, but a mistake will yield a bogey very quickly.

## Hole 8 – Par 3, 185 yards

This is a beautiful par 3, mostly because of the dogwood, beech and hickory trees that virtually surround the second shortest of the par-3 holes at Muirfield Village. The tee shot is appealingly downhill, but the plateau green is almost entirely surrounded by sand, including a pot bunker that guards the back left portion of the putting surface. The valley between tee and green complicates club selection because it makes the hole appear to be longer than it really is. Steve Stricker, a very popular winner of the Memorial Tournament in 2011, used a 6-iron to ace the eighth hole in the second round that year en route to a 5-under 67 and a three-shot lead going into the weekend.

## Hole 9 – Par 4, 412 yards

This is one of Muirfield Village's most challenging driving holes. If you hit your tee shot too far to the right, your approach can be blocked by trees. On the other hand, a drive hit too far left can bring a steep, wooded hillside into play. The approach is usually played from an angled lie, even off a good drive. The sloping green is beautifully set into a sizable hillside, protected by a creek in front and bunkers on the front left and rear. This is one of the most demanding holes on the course.

## Hole 10 – Par 4, 471 yards

This hole features comparatively open terrain and, as with the 15th hole, it requires the nearest thing to an uphill drive at Muirfield Village. Bunkers guard both sides of the landing area, and a menacing, many-fingered bunker fronts the green and threatens approaches that come up short of the putting surface. This is a stern test that demands both length and precision, and it is one of the toughest par 4s on the inward nine, especially when played into wind.

## Hole 11 – Par 5, 567 yards

This is a hole where you may see some fireworks, since it invites players to gamble. The hole runs the length of a wooded valley that acts as an amphitheater. The drive plays downhill to a modest fairway, but a creek cuts diagonally across the fairway at about 320 yards from the tee. The same creek hugs the right side of the fairway before swinging left again in front of the small, elevated green that is guarded by a large bunker on the front left. The green can be reached in two but it requires excellent shots.

## Hole 12 – Par 3, 184 yards

The largest lake on the course makes this par 3 one of the most beautiful—and treacherous—holes on a course that has plenty of them. The tee shot is played from a plateau and entirely across water to a kidney-shaped green that is cut into another hillside and set diagonally to the line of play. Bunkers flank the right front and rear left of the green. The rear left bunker is particularly dangerous, since it requires a recovery shot that runs toward the lake.

## Muirfield Village Golf Club Hole-by-Hole

### Hole 13 – Par 4, 455 yards

The drive plays downhill and usually downwind through a wooded chute to a narrow, fast-running and gently curving fairway. Finding the right half of the fairway sets up the best angle into the long and narrow green, which runs away from the player. Bunkers stretching almost the full length of the green on either side demand a precise approach shot, generally with a medium iron. Accuracy is paramount on this hole.

### Hole 14 – Par 4, 325 yards

This shortish par 4 features another downhill tee shot into a wide, tree-lined valley. About 245 yards from the championship tee, a creek emerges from the left woods to border the fairway for some 40 yards before angling across the fairway and then down to flank the right side of the green. The green is long and narrow and heavily guarded on the left by several bunkers. If you are an accurate player, this is a definite birdie opportunity. This hole may also provide an opportunity to be driven from the tee. Great options exist here.

### Hole 15 – Par 5, 529 yards

This beautiful par 5 offers opportunities for birdies and eagles—but also disaster. The hole is cut through the middle of a forest, and if a player can reach the crest of the hill with his tee ball, there's a good chance to reach the putting surface in two. There is, however, a steep slope fronting the green, and a pair of deep, greenside bunkers and trees pinching both sides of the hole. The green is one of the smallest on the course and presents a difficult up-and-down after a missed approach.

### Hole 16 – Par 3, 201 yards

This excellent par 3 was redesigned in 2010 with The Presidents Cup in mind. Knowing that many matches could be won or lost in this stretch of the course, we wanted this hole to equal the challenge and drama of Nos. 15, 17 and 18. The hole now features a pond guarding the length of the green on the left. The putting surface, which is protected by three bunkers, also is very small and turns diagonally right to left, away from the player. In its short existence, this hole has played the most difficult hole to par during the Memorial Tournament.

### Hole 17 – Par 4, 478 yards

This hole will be a great test off the tee. Twenty yards of fairway separate two bunkers midway up the fairway, leaving a mid or short-iron into the green. A lay-up off the tee will leave a mid-iron or, depending on the wind, a long-iron approach. This relatively small green appears to be slightly elevated and sits on the edge of the bank above a creek, with bunkers along the right and back left. An approach to the left side of the green will generally allow for an easier putt.

### Hole 18 – Par 4, 484 yards

This summer we added just over 40 yards to the tee shot on this excellent finishing hole to restore the original strategy. The tee shot features a beautiful downhill drive to a narrowish fairway, and with the added length, the bunkers that threaten at the right corner of the dogleg now come back into play. A long drive hit too far left can find the creek that borders the left side of the landing area. The second shot is an approach to an uphill green, across a swale. The medium-sized green is two-tiered and heavily contoured—bunkered front left, front right, left and rear right. If a match reaches the 18th, this hole will provide a dramatic stage—just as it has so many times for the Memorial Tournament.

## Impact of The Presidents Cup is Felt Worldwide

The Presidents Cup has grown from little more than an idea in the early 1990s to one of the most anticipated events on golf's global calendar. Along the way, this world-class competition has not only brought together the game's best, but has also established itself as an event that stands for international goodwill and a positive, charitable impact across the globe.

Unlike most sporting events, players are not paid for their participation in The Presidents Cup; there is no purse or prize money. Instead, each competitor designates charities or golf-related projects of his choice to receive a portion of the funds raised through the staging of each Presidents Cup.

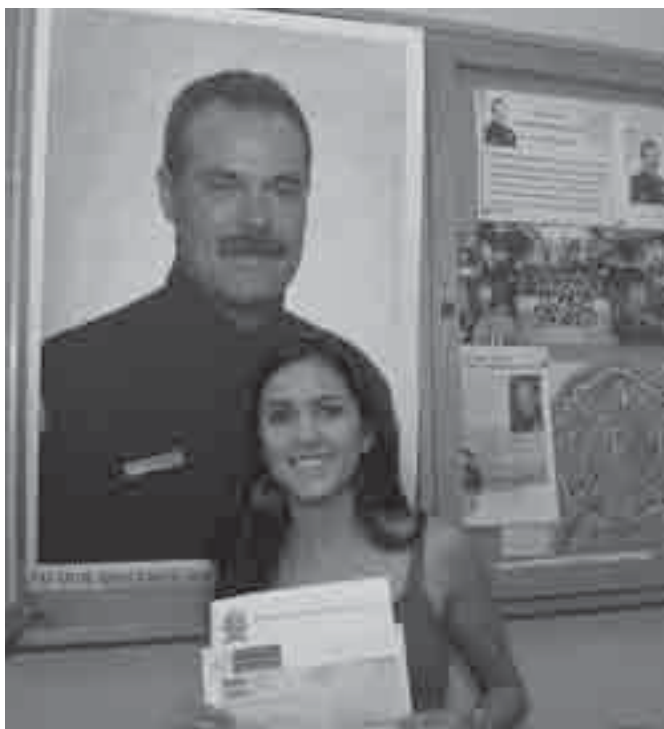

With players, captains and captains' assistants hailing from dozens of countries, their donations have positively impacted a variety of

charitable causes around the world. From funding for teachers and facilities in earthquake-ravaged Haiti to support for programs that bring golf to the disabled in South Africa; from providing school lunches for underprivileged children in South Korea to medical care for neglected animals in Greenville, South Carolina; from scholarships for children of fallen California firefighters to addiction recovery programs in Australia – these are but a few examples of the myriad ways those involved in The Presidents Cup have been able to affect change in their communities, home countries and globally.

In total, more than \$27 million has been distributed to at least 425 charities in 16 countries since the inception of The Presidents Cup in 1994. For more information, visit [www.presidentscup.com](http://www.presidentscup.com).

Robert Allenby, pictured above with a patient from Challenge Cancer, has raised more than \$17 million through his foundation - and Presidents Cup proceeds - to support children with cancer and life-threatening diseases.

Fred Couples' donation to the California Fire Foundation via The Presidents Cup 2009 helped to fund college scholarships for children of California's firefighters who died in the line of duty. Heather Yonan, pictured above, was one of the scholarship recipients, thanks to Couples' donation, and was the first member of her family to attend college.

Fatou Sogoyou, pictured above, earned an Earl Woods Scholarship and recently interned at the Environmental Protection Agency. His scholarship is funded, in part, by money Tiger Woods receives through his Presidents Cup participation.

# The Presidents Cup 2015: Jack Nicklaus Golf Club Korea

Scenic of Jack Nicklaus Golf Club, hole #16

Jack Nicklaus joined PGA TOUR Commissioner Tim Finchem on July 31, 2013, at Firestone Country Club to announce that Jack Nicklaus Golf Club Korea, located in the Songdo International Business District (IBD), Incheon, Korea, had been selected as the host course and Incheon City as the host city for The Presidents Cup 2015 (October 5-11) when the event makes its first trip to Asia.

Jack Nicklaus Golf Club Korea, which is located 40 miles west of Seoul in the country's largest economic development zone, celebrated its opening in September 2010 with the Champions Tour's first official money/official victory event held in Asia. The course hosted the Songdo Championship in 2010 and 2011, and the 2012 Korea Women's Open on the KLPGA Tour.

Mayor Song Young-Gil of Incheon City expressed his excitement and was delighted with his city being selected as the host city of The Presidents Cup 2015. "We are extremely pleased and honored to be the first city in Asia to be selected as host of The Presidents Cup," said Mayor Song. "Along with the upcoming 2014 Asian Games, Incheon City has certainly put itself on the global stage as a choice destination for major international events, and we look forward to welcoming participants, sponsors and dignitaries from around the world to our great city and country."

"Incheon City will work closely with the PGA TOUR, Jack Nicklaus Golf Club Korea and others to make The Presidents Cup 2015 a resounding success."

Finchem said, "Just over three years ago, we announced The Presidents Cup would be played at Muirfield Village Golf Club in 2013. Today, we further strengthen Jack Nicklaus' commitment and connection to The Presidents Cup with the announcement that the course he designed at Jack Nicklaus Golf Club Korea will in 2015 host the event for its first foray into Asia. Like Muirfield Village, Jack Nicklaus Golf Club Korea is Jack's vision and an impressive venue in its own right. We are thrilled to take The Presidents Cup there, which is not only a milestone in the event's history, but also a significant step in further elevating the game of golf in Korea."

Nicklaus said, "We're very honored and proud that Jack Nicklaus Golf Club Korea has been selected for The Presidents Cup 2015. We have always felt strongly about JNGC Korea as a host venue because of its location in the Songdo International Business District, its proximity to the Incheon International Airport, the quality hotels nearby, and the club's proximity to a large population area. The facility itself also makes for an ideal location to host The Presidents Cup. We're very pleased that the PGA TOUR felt the same after evaluating its options throughout Korea."

"Everyone has worked extremely hard to get us to today. I want to extend my congratulations to Mayor Song Young-Gil and the host City of Incheon; the membership and staff at Jack Nicklaus Golf Club Korea, as well as the

development team from Gale International, especially Stan Gale. I would also like to recognize Chairman Roy Ryu, who has been instrumental in bringing The Presidents Cup to Korea. His vision and leadership were critical throughout the entire selection process. In the end, we're delighted that the PGA Tour selected the Jack Nicklaus Golf Club Korea. We think they will present a great event. This will be a tremendous opportunity to showcase on a world stage the beauty of Korea and the country's passion for the game of golf. Having been fortunate to be involved in several Presidents Cup matches in the past, I know how uniquely special this event is and how it represents to a global audience all that is great about the game of golf."

Jack Nicklaus Golf Club Korea features a par-72, 7,413-yard Signature Golf Course designed by the Golden Bear, and offers world-class amenities, including an award-winning, 60,000-square-foot clubhouse. For The Presidents Cup 2015, the course has undergone some minor renovations and the holes rerouted to accommodate hospitality and the match-play format. Songdo IBD is a joint undertaking by Gale International, POSCO E&C, and Incheon City and a model of international collaboration. Songdo IBD is globally recognized as the world's foremost smart, sustainable city-scale development. In 2012, the Green Climate Fund (GCF) selected a site in Songdo as the home for the GCF Secretariat. It is believed that many of the sustainable infrastructure and technological innovations being pioneered in Songdo will be applied to GCF-funded projects in developing nations.

"To build a truly global city, we engaged the world's leading design, architecture, engineering and technology firms," said Stan Gale, chairman of Gale International and Jack Nicklaus Golf Club Korea. "Working closely with our partner POSCO E&C, we selected Nicklaus Design to create a sporting venue worthy of hosting professional golf's most prestigious international events. As a direct result of Jack's consistent leadership and hands-on oversight, the JNGC Korea was selected as The Presidents Cup 2015 host location. The PGA Tour's decision is emblematic of Incheon City's global appeal and a reinforcement of the importance of the great game of golf in the Republic of Korea and Greater Asia."

Previous international venues for The Presidents Cup include: The Royal Melbourne Golf Club in Melbourne, Victoria, Australia (1998, 2011); The Links at Fancourt, George, South Africa (2003); and The Royal Montreal Golf Club in Montreal, Quebec, Canada (2007). Robert Trent Jones Golf Club in Prince William County, Va., hosted The Presidents Cup in 1994, 1996, 2000 and 2005, and TPC Harding Park in San Francisco, Calif., was the host site in 2009. Muirfield Village Golf Club in Dublin, Ohio, will host The Presidents Cup the first week in October.

In 2011, K.J. Choi, K.T. Kim and Y.E. Yang competed in The Presidents Cup, marking the first time more than one South Korean qualified for the International Team in event history.
