

WGC Accenture Match Play Championship

10am Weather Update Friday Feb 21, 2014

Synopsis:

High clouds will dim the sun at times today, otherwise expect pleasant conditions with an afternoon high in the upper 70s. Winds are forecast out of the west/northwest at 6-12mph. More of the same can be expected over the weekend as a ridge remains across the Desert Southwest. Look for warm afternoon temperatures near 80 degrees with westerly winds developing each day.
