

# The Honda Classic

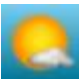

## 7:30AM Weather Update: Sun, March 2, 2014

**Synopsis:** High pressure will provide another beautiful day with mostly sunny skies and low humidity. Temperatures should top out a few degrees warmer than yesterday with highs around 80 degrees. Light winds out of the north will shift ESE and increase 10-15 mph this afternoon when the sea breeze moves on-shore. Similar conditions can be expected on Monday with highs in the low 80's.
