

Crowne Plaza Invitational

9am Weather Update Sunday May 24, 2015

Synopsis:

After a stormy night there are still more showers and thunderstorms expected today. There is another area of thunderstorms to our southwest which is forecast to impact Fort Worth between 11am-2pm. Once this area of storms exits conditions will improve for the rest of the afternoon with just a slight chance for a few passing showers. Temperatures are forecast in the 70s today with south/southeast winds at 10-20mph. Another round of heavy rain is forecast on Monday afternoon/evening. **Total rainfall since last night: 1.45"**
