

RBC Canadian Open 6AM Weather Forecast Saturday July 25, 2015

| Time | 8am | 10am | 12pm | 2pm | 4pm | 6pm |
|---------------|--------------------------|---------------|------------------|---------------------------|-------------------------|-------------------------|
| Sky | | | | | | |
| Weather | Isolated shower possible | Partly cloudy | Mostly cloudy | Showers/t-storms possible | Showers/t-storms likely | Showers/t-storms likely |
| Rain Chance % | 20% | 10% | 20% | 30% | 50% | 60% |
| Temp (F) | 72F/22C | 78F/25C | 82F/27C | 84F/29C | 83F/28C | 80F/27C |
| Winds (mph) | SW 7-12 | SSW 10-15 | SSW 10-15 G20 | SW 12-18 G25 | SW 12-18G25 | WSW 10-15G20 |

Today – Isolated showers are possible early this morning as a warm front moves through the region. Otherwise, warm and humid conditions can be expected today ahead of a cold front. As the front approaches, scattered showers and t-storms this will develop this afternoon and continue into the evening hours.

Sunrise: 559am
Sunset: 850pm

| Day | Sun | Mon | | | |
|---------------|------------------|-----------------|--|--|--|
| Sky | | | | | |
| Weather | Mostly sunny | Mostly sunny | | | |
| Rain Chance % | 0% | 0% | | | |
| Low/High (F) | 66/84 19/29C | 66/86 19/30C | | | |
| Winds (mph) | Variable 5-10 | NW 5-10 | | | |

Extended forecast – High pressure will build east over the region Sunday and Monday. This will provide mostly sunny skies each day with highs in the mid 80's/30C. The winds will remain light 5-10 mph.

Forecast prepared by meteorologist Stewart Williams.
