Keys to Victory (3): 2013/14 Northern Trust Open

Watson finished off the week with back-to-back bogey-free rounds of 64 for a final 36-hole total of 128. Watson's final 36-hole total of 128 marked both a career low and a tournament record at the Northern Trust Open. The previous low round 3 & 4 total at the Northern Trust Open was 129 by Doug Tewell at the 1986 NTO.

In the opening 2 rounds, Watson lost just over 1 stroke to the field on the greens with the putter.

In the final 2 rounds, he outperformed the field by nearly 4.5 strokes with his putter including going a perfect 22 for 22 when putting inside 5 feet.

Bogey-Free on the Weekend: Bubba Watson was the only player in the field to go bogey-free in the final 2 rounds at the Northern Trust Open. Watson becomes the first winner (since 1983 – when hole by hole records began) at the Northern Trust Open to go bogey-free in rounds 3 & 4 and just the 2nd player at this event to accomplish this feat since Ben Crenshaw went bogey-free in rounds 3 & 4 en route to his runner-up finish at the 1987 Northern Trust Open.
