

Sony Open in Hawaii

8:15AM Weather Update: Sun, Jan. 18, 2015

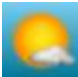

Synopsis: Weak area of high pressure will build northeast of the islands through the middle of the week. This will provide light trade winds today with mostly sunny skies. Unfortunately light and variable winds will return tomorrow, allowing the vog to shift back over the smaller islands later this week. Otherwise, partly to mostly sunny skies can be expected each day with only isolated showers possible.
