

Masters Tournament

11 AM Weather Forecast Sunday, April 10, 2016

Synopsis: Temperatures are currently at 50 degrees and will be rising to near 60F by 2 PM. High temperatures top out in the middle to upper 60's by the late afternoon. There will continue to be high clouds passing through the region at times, leading to filtered sunshine and a layer of overcast skies this afternoon. Winds are starting to turn to the southeast at 8-14 mph and will decrease to 5-10 mph towards the end of the day. Increasing clouds and warmer temperatures return on Monday with highs in the upper 70's. The next storm system approaches Monday night into Tuesday with the chance for showers and thunderstorms.
