Interesting Notes

The course does not play long off the tees, but must be played from the green back to the tee. Emphasis must be put on ball placement in the fairway in order to get the appropriate angle to the green. The greens at Sedgefield are very undulating and slope from back to front, with many falling off the edges into collection areas.

Previous events hosted by facility:

1938-1976 Greater Greensboro Open

1999-2000 Nike Greensboro Open
