

Tommy Armour

“Nothing happened for me down the stretch. I bogeyed 17 and 18. Hit it in the water at 17 and hit it in the trees on 18 and made those two bogeys. What can I do. I kind of threw away the tournament.”

Kenny Perry

“It was a good battle. John played nicely all day and I was always playing from behind. I could never catch up and was always one behind. I could never really get to the number. I had a great shot there at 17 to make it and I pulled it left into the water going for it and he’s off to the right. I had my opportunities to flip the scores on holes but I never could do it. But good for him. That first win is always special.”
