

**Q. Well, great way to start the 2017 season.**

**BERNHARD LANGER:** It is. 64s are always good. Take those anywhere. But no, played nice. Got off to a hot start, birdied the first two. Had an eagle putt on 4 I think it was and didn't make it, but played solid. And when I didn't, I got up and down most of the time or long putts I got really close, so it was fun. It's a beautiful day, great golf course. Enjoyed playing with Colin. Everything was good.

**Q. When you start seven shots behind because people were coming in --**

**BERNHARD LANGER:** I don't even look at that because I know I've got the whole day in front of me. I know I had birdie chances if I play well, and so, you know, at some point I saw some low scores and I said oh, I've got time, just got to play well.

**Q. It's almost a perfect day to play, I guess.**

**BERNHARD LANGER:** It was.

**Q. With very little wind?**

**BERNHARD LANGER:** We had about 10 miles an hour but it laid down slightly the last two or three holes. So it was a factor, but it wasn't like it could be. The course is in great shape.

**Q. Did you have much of an offseason?**

**BERNHARD LANGER:** Yeah, I had two months off more or less. Didn't mean I didn't touch a club in two months, but just had the Father-Son tournament in those two months, so only one tournament. Then there were three weeks where I actually didn't touch a club at all, a stretch of three weeks in a row. So it was a nice break.
