CHAMPIONS

Fallen Oak, Biloxi, MS; March 31-April 2, 2017

1	543	5		I was very pleased with my round today. The wind wasn't that much as far as velocity goes but the direction was tricky. It was switching around from time to time. But I had some good yardages which allowed me to hit some full shots today. The greens were a lot quicker today than when I played on Tuesday. The course is in great shape and we all love coming here. It's almost a home event for me. I'm only an hour and a half down the road. Hit some good wedges and had some nice chips. There was little wind today so you've got to make some birdies.

Notes: make this course tricky. You've got to put it in the right spots or you're going to have some tricky second putts. Plus good iron play.
