

**2017 Mississippi Gulf Resort Classic Round 2  
Miguel Angel Jimenez (-11, 133)**

**Q: Miguel great round, as defending champion you are right there again within the last day?**

**A:** I'll defend the best I can. Today, I played very nice, very well, and solid.

**Q: It was just consistent all day?**

**A:** I've been consistent all day. All the par fives I got on 2. On the 13<sup>th</sup> I made 3 puts. Sometimes you play close and sometimes not so close. I played nice and solid.

**Q: What do you like about this course?**

**A:** It's a beautiful golf course. You need to play fair, and you need to play well. It's in great shape. Beautiful greens, and the condition is superb.

**Q: Being the defending champ, what were your feelings coming in here?**

**A:** Oh, I'm feeling good. I've been playing very well. This is my fifth time here (round), and I play very well every year. I like coming here because I like the golf course, and I like the people. The ambiance is very nice.
