Extended forecast – Dry and cold conditions will occur tonight. Some areas of frost are expected tonight as temperatures fall into the middle to upper 30s. Dry and warmer conditions will return for Friday and Saturday. An area of low pressure will approach the area late Saturday night into Sunday with periods of showers and T-storms possible. Steadiest rain is expected Sunday morning with scattered activity persisting into the afternoon. Rainfall amounts of 0.50-1.00" possible.

Forecast prepared by DTN meteorologist Kyle Koval.
