**Today** – A weather system passing to our south will continue to push away and this should result in a gradual decrease in cloud cover today. By this afternoon, sunshine can be expected with temperatures reaching the middle to upper 60s. Northerly winds at 6-12 mph are possible throughout the day.

**Extended Forecast** – A weak front is expected to pass through the area Friday afternoon and could touch off a brief shower, however mainly dry conditions are expected. Drier but much cooler conditions return on Saturday with highs struggling to reach the 60s. Northwesterly winds could gusts 20-25 mph both Friday and Saturday. High pressure moves into the area Saturday night into Sunday. There is some frost potential Sunday morning, otherwise dry and sunny conditions can be expected for the final round.
