MONEDA • CURRENCY

La moneda oficial es el peso mexicano (MXN). Aunque el tipo de cambio fluctúa diariamente, el cálculo más simple es que un dólar (USD) equivale a \$18.00 pesos mexicanos y un euro a \$21.00 pesos. Las casas de cambio abundan, pero no es necesario hacer la conversión ya que los dólares y las tarjetas de crédito (American Express, VISA y MasterCard) son ampliamente aceptadas en el resort y en la ciudad de Playa del Carmen y Cancún. Cuando deje propina, recomendamos que sea entre el 10 y el 20%.

The official currency is the Mexican peso (MXN). Although the exchange rate fluctuates daily, the simple calculation is one U.S. dollar equals \$18.00 Mexican pesos and one Euro equals \$21.00 Mexican pesos. While currency exchange is readily available, it is not necessary. US dollars and credit cards (American Express, VISA and MasterCard) are widely accepted at the resort and in the towns of Playa del Carmen and Cancun. When tipping, a gratuity between 10-20% is customary.

EL CAMALEÓN GOLF CLUB DESCRIPCIÓN • DESCRIPTION

El Club de Golf El Camaleón en Mayakoba es obra maestra de Greg Norman. El diseño de sus 7,024 yardas (los profesionales lo jugarán como 6,987 yardas) se extiende sobre tres paisajes: selva tropical, densos manglares y áreas arenosas a la orilla del mar cuyos hoyos se encuentran separados por enormes canales de piedra caliza.

El campo es excepcional, pero no se quedan atrás las demás instalaciones de golf. La hermosa casa club que domina al green 18, y tanto el área de entrenamiento como el driving range son de primera categoría. Más increíble aún es el singular sistema de canales del resort; los jugadores podrán salir de su habitación para subirse a un bote que los llevará directamente a la primer mesa de salida.

El Camaleon Golf Club at the Mayakoba Resort is Greg Norman's masterwork. The 7,024-yard layout (the pros will play it at 6,987 yards) bends through three distinct landscapes: tropical jungle, dense mangroves and oceanfront stretches of sand with holes split by massive limestone canals.

While the course is a standout, the surrounding golf amenities are equally stunning. The handsome, Mayan influenced clubhouse rises above the 18th green, and the adjoining practice facility and driving range are five star. Even more amazingly, with the resort's unique canal system, golfers will be able to step out of their rooms and into a boat, which will ferry them to the first tee.

A continuación encontrará la descripción detallada de todos los hoyos realizada por Carlos Ortiz, golfista mexicano:
Here is a hole-by-hole description by Carlos Ortiz, Mexican golfer:

HOYO 1 HOLE PAR 4, 438 YARDS

Puede ser bastante complicado cuando juegas con viento en contra porque tienes problemas de los dos lados pero puede ser al mismo tiempo un hoyo fácil cuando no hay viento porque puedes pegar un sand wedge al green.

This hole can be very tricky if the wind is blowing into you. You have trouble on both sides so the tee shot is important. At the same time, if there is no wind, it can be an easy hole because you can then hit a sand wedge to the green.

HOYO 2 HOLE PAR 4, 428 YARDS

Para mí el hoyo 2 es uno de los más difíciles del campo porque al igual que muchos de los hoyos de El Camaleón tienes problemas de los dos lados y cuando el viento sopla, el segundo tiro te queda bastante largo y vuelves a tener problemas de dos lugares y el agua entra bastante en juego de lado izquierdo.

To me, hole No. 2 is one of the hardest holes on the course because just like every other hole at El Camaleón you have trouble on both sides. When the wind is blowing, the second shot can be very long and you are once again faced with hazards on both side. The water on the left side can be a problem, too.

HOYO 3 HOLE PAR 4, 389 YARDS

Es un muy buen par 4; un hoyo que si pegas un buen tee de salida te queda un sand wedge adentro de 100 yardas así que es un hoyo que puedes hacer un birdie pegando una buena salida. Además alcanzas a ver parte del Mar Caribe y realmente disfrutas la belleza de Mayakoba en este hoyo con mar, manglar y selva.

A very good par 4. This is a hole that if you hit a good tee shot then you will have a sand wedge inside 100 yards. It is a hole where you can make a birdie if you have a good tee shot. Also, you can see a little bit of the Caribbean Sea and you really get to enjoy the beauty of Mayakoba, with the sea, mangroves and jungle.

HOYO 4 HOLE PAR 3, 116 YARDS

Uno de los hoyos más emblemáticos del campo porque tiras con la vista al mar y por más que es un hoyo corto, normalmente te toca la brisa de frente, muchas veces es complicado medir la distancia aunque estas pegando máximo un pitching wedge.

A unique par 3 because of the lack of length. Only a nine-iron or wedge to a green that is very shallow and you are hitting the beach. A tricky hole because you are trying to keep the ball down and out of the wind with a lofted club.

HOYO 5 HOLE PAR 5, 554 YARDS

Es muy interesante ya que tienes una salida complicada con agua en todo el lado izquierdo que es muy difícil pasarla y manglar de lado derecho. Te exige pegarle a un buen driver, pero pegando a un buen driver puedes ser agresivo y tirar de dos al green tratando de mantenerla por el lado derecho para no meterla en el agua del lado izquierdo. Si puedes llegar de dos, tienes oportunidad de hacer águila.

A very interesting hole because you have a complicated tee shot with water running down all of the left side. So, you have to have a precise tee shot with water on the left and mangroves on the right. It requires you to hit a good driver. If you hit a good drive, you can be aggressive and go for the green in two. But you have to keep your second shot to the right to have a chance to reach the green and an opportunity for eagle.

HOYO 6 HOLE PAR 4, 416 YARDS

Un hoyo fácil, pegas un 3 de madera para quedar corto del agua y que haya un poco más de espacio de lado derecho para no llegar a los árboles y de ahí tienes un pitching, un sand wedge máximo y puede ser un hoyo de birdie. Atácalo.

For the pros, this is a relatively easy hole. You can hit a 3-wood, land it short of the water and there is plenty of space on the right side where you can avoid the trees. From there, you can hit a pitching-wedge or even a sand-wedge. This is a birdie hole. Attack it.

HOYO 7 HOLE PAR 5, 554 YARDS

Yo creo que es el hoyo que la gente más reconoce ya que es un par 5 que pegas con la vista hacia un cenote que está a la mitad del fairway. Es un hoyo que puede ser bastante difícil cuando juegas contra el viento, ya que no puedes fallarle ni de lado derecho ni del lado izquierdo y es un par 5 bastante largo, entonces no se puede llegar de dos; pero al mismo tiempo puedes hacer dos buenos tiros y tener un tercero fácil para lograr un birdie.

I think this is the par 5 hole that people recognize most because from the tee you have a view of a cenote in the middle of the fairway. It is a hole that could be very difficult when you play against the wind because you can't miss on the right side or the left side. It's a very long par-5 and hard to get it on the green in two shots. At the same time, you can make two good shots and have an easy third shot to make a birdie.

HOYO 8 HOLE PAR 3, 151 YARDS

Un par 3 cortito que uno no puede ser muy agresivo cuando las banderas están en la parte de atrás ya que se pone bastante angosto y el cenote de lado derecho entra en juego. Los cuatro par 3 en El Camaleón son excelentes.

A very short par 3 where you can't be too aggressive when the flagstick is on the back because it gets too narrow and the cenote on the right side comes into play. The four par-3 holes at El Camaleón are excellent.

HOYO 9 HOLE
PAR 4, 462 YARDS

Un hoyo que parece más angosto de lo que es, pero tienes todo el espacio de lado izquierdo. El green es bastante complicado así que uno trata de jugarla al centro del green o al frente del green para hacer dos putts y con par te vas contento.

This is a hole that, from the tee, looks narrower than it really is. You have a lot of space on the left side. The green is very complicated so you try to play in to the middle of the green or in the front of the green to make two putts and leave happy with a par.

HOYO 10 HOLE
PAR 3, 200 YARDS

Arrancas los segundos nueve hoyos con un tiro muy intimidante. Par 3 bastante complicado ya que tienes agua de todo el lado derecho, es un hoyo que puedes jugar de distancias muy diferentes ya que es bastante largo, uno trata siempre de jugarla en medio del green cuando la bandera está en la parte de atrás porque la bola bota y no se para.

You start the back nine with an intimidating shot. A very complicated par 3 because you have water on all the right side. It is a hole that you can play from different distances because it's pretty long. I try to always play it to the middle of the green when the flag is on the back because the ball falls to the right and doesn't stop.

HOYO 11 HOLE
PAR 4, 360 YARDS

En el torneo siempre te gustaría hacer birdie aquí ya que es un hoyo bastante corto. Sales con un fierro o un híbrido y tienes un sand wedge al green, es un hoyo que hay que aprovechar. Otra vez, atacamos en búsqueda del birdie.

In the tournament, I always look to make a birdie here because it is a very short hole. You can tee off with an iron or a hybrid and you have a sand-wedge to the green. You have to take advantage of that hole. Once again, we attack looking for that birdie.

HOYO 12 HOLE
PAR 4, 451 YARDS

Para mí el hoyo 12 es el más difícil del campo ya que tienes problemas de los dos lados, es un drive muy angosto y luego el green es donde también se complica al ser como un volcán. Si la fallas de lado derecho, se cae y entras a una bajada. En general es un green muy difícil.

To me this is another difficult hole because there is trouble on both sides. It is a very narrow shot off the tee with a driver. Then the green is complicated because it's like a volcano. If you miss on the right side the ball falls and it's a long downfall. Overall it is a very difficult hole.

HOYO 13 HOLE
PAR 5, 532 YARDS

Este es el par 5 más fácil del campo y hay que aprovecharlo. Es una salida bastante amplia, en el segundo tiro es donde uno tiene que poner un poquito de atención ya que muchas veces uno la falla poquito a la derecha y cuando la fallas a la derecha no hay nada de espacio. Tienes todo el espacio por el lado izquierdo, así que siempre hay que entrarle a ese green por el lado izquierdo.

This is the easiest par 5 on the course so you have to take advantage of it. You have a very wide tee shot to get the ball in play. The second shot is where you have to pay attention because you can miss a little to the right and when you miss to the right there is no space. You have all the space on the left side, so you want to always get on the green coming from the left side.

HOYO 14 HOLE
PAR 4, 452 YARDS

Otra vez tienes problemas de los dos lados, aunque es bastante amplio cuando juega contra el viento. Puede complicarse ya que puedes pegar driver y fierro 5 al green, entonces hay que tratar de pegar un muy buen segundo tiro para ese green.

Once again you have trouble on both sides, even though the fairway is very wide when you play with the wind blowing against you. It could get complicated if you do not hit a good driver. I usually hit a 5-iron to the green. You do have to hit a very good second shot.

Para mí este es el hoyo más bonito del campo ya que puedes ver todo el Caribe Mexicano por el lado derecho. Te puede jugar bastante difícil ya que la brisa del mar pega de lado derecho hacia la izquierda todo el tiempo, así que uno le tiene que pegar hacia el mar para que regrese al green.

To me this is the most beautiful hole because you can see the Mexican Caribbean on the right side. It could be very difficult because the sea breeze comes from right to left all the time. So, you have to hit it towards the ocean so it comes back to the green.

HOYO 16 HOLE
PAR 4, 485 YARDS

Normalmente se juega como par 5 pero para nosotros en el torneo juega como par 4. Una pata de perro a la derecha que si pegas el driver te puedes cruzar entonces muchas veces salimos con madera 3. Aunque tires un fierro un poquito más largo siempre es mejor estar en juego que en los manglares. Es un hoyo que el segundo tiro juega bastante difícil ya que puede variar dos a tres palos dependiendo de donde está la bandera.

Normally, it's played as a par 5 but for us during the tournament it becomes a par 4. It is a dog-leg to the right. I normally tee off with a 3-wood even if it means hitting a longer iron shot into the green. It is always better to be in play than in the mangroves that surround the landing area. It is a hole where the second shot is always difficult and it could vary two to three clubs depending on where the flag is located.

HOYO 17 HOLE
PAR 4, 386 YARDS

Puede ser engañoso ya que es bastante corto pero puede jugar muy complicado. Con la salida tienes que volar agua por el lado izquierdo y de lado derecho tienes manglares. Por más que puedas pegar una buena salida todavía tienes el segundo tiro con ese green tan difícil que tiene como un elefante enterrado.

This hole can be tricky because it's short but it can be very complicated. With the tee shot you have to fly over the water on the left side and on the right side you have mangroves. Even if you hit a good tee shot you still have the second shot with a tough green that looks like it has an elephant buried underneath it.

HOYO 18 HOLE
PAR 4, 452 YARDS

Un buen par 4 para terminar. No es nada fácil ya que la trampa de lado izquierdo entra en juego entonces el fairway es mucho más angosto. Si llegas a la trampa es muy difícil llegar al green de ahí, y tampoco la puedes fallar al lado derecho porque hay árboles. Una vez que pegas la salida, el hoyo es un poquito más generoso y puedes ser agresivo en el segundo tiro. Es muy importante no fallarla larga cuando la bandera está atrás porque puede ser un chip bastante difícil de regreso. Se aprecia la vista de la casa club durante todo el hoyo y al final de un gran recorrido.

This is a really good par 4 to close the round. It's not an easy one because you have the bunker on the left that comes into play and the fairway is very narrow. If you hit it into the sand trap, it's very hard to get it to the green from there and you can't also miss on the right side because there are trees. Once you hit your tee shot, the hole gets more generous and you can be aggressive on the second shot if you are in the fairway. It is very important not to hit it over the green when the flag is on the back because it could be a very difficult chip back. You can enjoy the view of the clubhouse from the entire hole as you come to the close of a great round.
