Extended forecast – Wind advisories have been issued for the area tonight through tomorrow morning. Winds are expected to be the strongest from around sunset this evening through the early hours of tomorrow, with gusts over 30 mph likely. Temperatures will remain a bit warmer tonight compared to the last several nights, with an overnight low in the 50s. Dry weather is expected over the next several days, with a slight cooling trend.

Forecast prepared by on-site meteorologist Willis Young.
