

### OUTLOOK FOR THE REST OF THE CHAMPIONSHIP

**Wednesday evening:** Similar conditions persisting through the evening with a reducing chance of showers. Winds S to SW 10-15mph.

**Thursday:** Dry with a good deal of sunshine, cloud amounts increasing later in the day with some rain likely to arrive overnight. Winds light initially but gradually picking up through the day to SW 12-18mph by mid-afternoon. Max temp 21C.

**Friday:** A cloudier start than Thursday with some early rain looking likely. Conditions should become drier and brighter through the day with sunny spells possible. Winds most likely SW 10-15mph. Max temp 20C.

**Saturday:** Rather cloudy at times but mainly dry and some warm sunny spells are likely. Winds probably starting light but should settle in to a SW 10-15mph during the afternoon. Max temp 21C.

**Sunday:** A similar day to Saturday with a good chance of some sunny spells but probably breezier. Winds most likely picking up to SW 12-18mph with a chance of gusts 20-25mph. Feeling warm, especially in any sunshine with a max temp of 22C.
