

ROUND 3 INTERVIEW
April 21, 2018

STEVE FLESCH (-18)
DAVID TOMS

Q. So you gentlemen are currently one shot back of the leaderboard. Obviously you played well today. What stood out in your game?

DAVID TOMS: Oh, we just paired well together. I don't think either one of us played great. We picked each other up out there. The alternate shot was a tough format this morning with a lot of high winds so you're just trying to get a ball in play, get to a place where we can make pars and throw in a birdie here or there. So overall I think 7 under par was a nice score the way we started off with pretty high winds and a lot of downhill shots, hard to get the club. Overall, pretty pleased with it.

Q. You guys still have that competitive drive, so I've got to imagine even with a more fun tournament like this where you're a team, you still probably want to take it to everybody else, right?

STEVE FLESCH: Well, there's a lot of pride out here. If you're still playing competitively for a living, you want to do well. And regardless, even though it's a team format, we're still trying our best not to let our partner down. So it was difficult out there today at times. I strung David out a little bit a few times early on, but we picked each other up and that's kind of what a team atmosphere's about.

Q. Last thing for you, you guys have played all over the world for decades now. How does this place stack up? When you see it on the calendar, are you excited about coming here?

DAVID TOMS: Yeah, it's a beautiful spot. I mean, obviously we would like it to be a little bit warmer for us so we could get out and enjoy all the activities. But a beautiful place, fun golf. I think this time of year it's a nice change of pace to play a team format, and a par-3 golf course makes it a lot of fun, a lot of things can happen. I think overall guys really enjoy coming here.
