

ROUND 3 INTERVIEW
April 21, 2018

CARLOS FRANCO
VIJAY SINGH (19)

Q. With day 3 leaders and they're also the defending Bass Pro Legends of Golf champions, Vijay Singh, Carlos Franco, how did it go out there today, you? Guys are one shot on top of the leaderboard right now.

VIJAY SINGH: I'm very happy to be leading. It was a tough day. The winds were swirling, have to get the club right and we made some putts. Carlos played really well on the back nine and I played really well on the front nine, so we ham-and-egged it a little.

CARLOS FRANCO: Good combination, that's the partner team competition today. I think I started very slow on the front and come back a little bit on the back, and he played so well today and that's a good combination to make a good score today.

Q. What will it take for you guys to finish that off the right way and tomorrow be a two-time champion here?

VIJAY SINGH: Got to beat everybody else, I guess. I'm just going to go out there tomorrow with him and play how -- make as many birdies as possible and see what happens. That's all we can do.

CARLOS FRANCO: Yeah, exactly same. Play 18 more holes whether nobody know what happen tomorrow, but many good teams and a couple team have a good chance but my partner and I are very confident we'll come back strong tomorrow.
