Today- There will be a mixture of clouds and sunshine today, with temperatures rising to the lower 80s. Southeasterly winds will bring moist air northward to the area later this morning, resulting in scattered showers. Much of this activity will be focused on areas west of the golf course during the afternoon hours.

Extended forecast – Mainly dry weather will prevail over South Florida next week, with only a small risk for showers on Tuesday. Unseasonably warm temperatures will be felt for the next several days, with afternoon highs in the middle 80s and overnight lows in the lower 70s along the east coast to the lower 60s over Florida's west coast.

Forecast prepared by on-site meteorologist Willis Young.
