

FINAL ROUND INTERVIEW
August 26, 2018

FRED COUPLES (-8)

FRED COUPLES: I mean, it was a good day. I drove it really well and hit some good irons. On the front nine was good and the back, kept going. And then I got to 15 and I hit -- I hit it down the left side, just not getting it around. But to the right side, like where Paul Goydos hit it, it rolled another 80 yards. So I still had that left where I could go for the green. So I gave it a shot and I hit it in the right bunker and there was no shot, so I make par there. I told myself the whole way I was going to lay up and I know I can wedge it in there 10 feet.

And then on 17 I hit a bad shot, I pulled it in the water. On 18, had maybe a six-, eight-footer for birdie and pushed it a little bit. That would have been fun to make that.

But it was a good day. All of a sudden I just looked up, Scott Parel was going nuts again, so that's good. But it was good crowds, good people, and hopefully the rain will stay away until they all finish. I'm going to go back and watch the Mariners.

Q. (No microphone.)

FRED COUPLES: Oh, they're down?

Q. Yeah, but they're going to win the series.

FRED COUPLES: That's all they need to keep doing, right?

Q. Yeah. They're like 1-6-1 since the All-Star break in series.

FRED COUPLES: That's not good.

Q. But winning -- I mean, Arizona was leading --

FRED COUPLES: No, they're going through that -- Dodgers, Arizona. They need to get -- Oakland's on fire.
