

**ROUND 3 INTERVIEW**  
**November 10, 2018**

**STEPHEN AMES (-17)**

---

**Q. Can you talk through that eagle on 18? What was that putt?**

**STEPHEN AMES:** The putt was exciting actually because I actually had to look at my score, and actually figured out that I could actually tie the course record, so that was even more rewarding, should I say.

**Q. How about highlights from the rest of the round?**

**STEPHEN AMES:** I played solid. I had one weak club in the bag, which is my 3-wood, and it's a new 3-wood, so I'm not sure of it right now. But overall I played steady, hit a lot of fairways, gave myself a lot of chances. When I was in trouble, capitalizing on getting it up and down and putted very well again.

**Q. Tomorrow is the last round of the season. What are your emotions going into it?**

**STEPHEN AMES:** Can't wait. I need a couple months off. You know what, this is capitalizing on it, playing well this week, getting into obviously the top-36, because I had to work my way into it. And I'm looking forward to capping the year off laying on a beach and drinking an ice cold beer.

**Q. Is this kind of icing on the cake right now, anything that happens tomorrow?**

**STEPHEN AMES:** Yeah, it is. It will be, for sure. Just looking forward to the rest of next year and starting up, but right now this is just icing on the whole cake for the year for me.
