

Q. Your thoughts on your round today and right now tied for the lead.

GLEN DAY: Well, right now. It won't be at the end. I played really good, I got off to a great start, played good on the back nine and I birdied 1 and 2. Then I just kinda -- I don't know, I was trying to hit good shots, I didn't ever -- I don't know. I made two bad chips on the par 5s, and I misread two putts, and I had a 3-putt, so I had four fives on the back nine. I didn't keep it going. We'll try again tomorrow.

Q. The wind kicked up --

GLEN DAY: No, no, no, wind is nothing. No, nothing.

Q. Were you playing well in?

GLEN DAY: I played last week, and I played okay, and it ended up being good. I finished tied 10th. And I've been hitting the ball good and feeling good about it. I made some putts today early, and that's what kept me going.

Q. Any long ones?

GLEN DAY: Not really. Not really any bombs, just good, solid, you know, 15-footers, and hit some close and hit some good shots and, you know, played solid. Didn't like this nine over here as much but played solid.
