

**Q. On quite a roll. When was the last time you were on a roll like you are on right now?**

**DAVID TOMS:** I'm playing good golf. Didn't really get anything going until the end of the round today, the whole week, and if I could have put a little pressure on those guys up top, maybe, but -- I'm playing solid, just keep putting myself in position, maybe one day I'll get that hot round on Sunday and get in the winners' circle somehow.

**Q. You're in line for fifth straight top-5. That's got to be good, but at the same time you're still trying to get that first win.**

**DAVID TOMS:** Yeah, I probably -- the only tournament that I really felt like I should have won was the one in Sherwood, and I didn't finish well there coming in. The rest of them I just played solid golf and at the end of the week I had a good finish, so I need to put myself closer to the lead and see how I play with that and keep doing what I'm doing. I have a lot of confidence, I'm finally putting a lot better than I did most of last year, and it sets me up for some good scores.

**Q. We've got a week off before Tucson. When you're playing well like this does it help or hurt when you have to put it up for a week?**

**DAVID TOMS:** Well, I mean, two weeks in a row is enough for me right now, so I will put 'em away for a few days and get back at it and prepare for Tucson and go out there and see if I can get in contention again.

**Q. Thanks, David.**
