

ROUND 2 INTERVIEW
March 3, 2018

GENE SAUERS (-9)

GENE SAUERS: One bogey, a little stupid bogey, hit a pitching wedge in there. Just didn't hit it hard enough. The wind was back and forth, just made one little mistake. Hell of an up and down on 18, so made my dinner a little bit better tonight.

Q. It's great when you finish off with a good shot.

GENE SAUERS: Right. Oh, yeah, always brings you back, doesn't it. But, yeah, other than that I played okay, you know, just hitting fairways and greens and trying to give myself opportunities. Didn't give myself a lot of them today. I hit a lot of greens but they were 20, 30 feet away. I couldn't get it close to the pin. So maybe something will be better tomorrow.

Q. You're right in the mix of it for tomorrow.

GENE SAUERS: Right.

Q. I know you guys pretty much stick to the same game plan.

GENE SAUERS: Sure, sure.

Q. Anything you're thinking about tomorrow, like are you going to go back on the driving range or work on your putts or do anything else tonight?

GENE SAUERS: No, I'm taking it easy right now. No, I'm going to stick to the same game plan, but I'm just going to try to get the ball closer to the hole on the fairway shots, just maybe try to zone in a little bit closer tomorrow. Just give myself chances, that's all I can do.

Q. Okay.
