

STEPHEN AMES (-9)

Q. Great finish to your round today. Can you talk about the round in its whole?

STEPHEN AMES: Went slow. I'm only kidding. No, it was fun. Beginning of the day it was obviously not forecasted to be as nice as it is now, so we got lucky in that respect. I guess at this stage any small mercy that we get we're very happy with. Overall, it's been a fun day today.

Q. Were you aware of what was happening? It's moving day, everybody was kind of moving up the leaderboard.

STEPHEN AMES: You kind of expect that to happen, the golf course was soft. With all the rain we had last night, early this morning, today was going to be a bit of a putting competition, which it usually is most weeks.

Q. Do you watch the board?

STEPHEN AMES: I was watching it, yeah, yeah. Trying to play my own game at the same time.

Q. But you're just trying to figure out where you are?

STEPHEN AMES: Yeah, yeah. Anywhere within one or two of the lead, I think I have a good chance from there.

Q. Going to practice now?

STEPHEN AMES: No. It's beer time.
