

**JERRY KELLY ( -5)**

---

**Q. You had some really good momentum picked up today. What clicked compared to yesterday?**

**JERRY KELLY:** I just made a few birdies early.

**Q. In the bad weather.**

**JERRY KELLY:** Yeah, it never really got too bad. It stopped raining right when we teed off, so that wasn't bad. Birdieing the first hole just gives you those feelings like, okay, I can hit the ball and I can make a putt.

Rocco and I, it's funny, he's going to get a shot in his back the beginning of next week, he's hurting bad. We were like groaning after every shot, it was really funny.

**Q. Is it your knee and your back?**

**JERRY KELLY:** No. Me, it's my knee and my elbow and his is his back. Yeah, it wasn't pretty. Like he said out there, he said, "Jer, we don't have to be pretty."

**Q. You don't, that's not what it's about.**

**JERRY KELLY:** Just got to get it done.

**Q. And it got you back in the tournament?**

**JERRY KELLY:** Yeah, no, totally back in the tournament.

**Q. Best round so far?**

**JERRY KELLY:** No, 7 under out there.

**Q. They're not done yet.**

**JERRY KELLY:** Oh, they're not done yet? I'm disappointed that I didn't hit it in the fairway on that last hole, but any time I try and give it anything close to extra I've got no chance.
