

DAVID TOMS ( -8)

---

**Q. With David Toms here, this is his second appearance at the Insperity Invitational. Can you just talk about your round today and how you progressed 24 spots up the leaderboard?**

**DAVID TOMS:** Well, I finally got it going a little bit. I had been struggling making putts the first couple of days, and today I made a couple. Then I hit a couple really good shots and before you know it, I was 4 under par. Couldn't really make one the last couple holes there, they're playing pretty tough. Overall, pleased with it. Just wish I got off to a better start.

**Q. What happened on 14?**

**DAVID TOMS:** 14, the wind switched on me and I hit my tee shot a little longer. It got up on the upper shelf and I couldn't keep it short of the hole, I raced it by about three feet, four feet. Hit a good putt first putt and then I missed the second putt, I pulled it a little bit, so three-putt.

**Q. What's your overall thoughts on the course? You finished T-18 last year.**

**DAVID TOMS:** It's a good golf course, a lot can happen. I think it's great for the fans. Typical TPC course where you're kind of feast or famine. If you're hitting it really good, you can shoot low, and if you're not, you've really got to play conservative, and this golf course is like that.

**Q. Do you have a favorite shot you remember from the weekend?**

**DAVID TOMS:** I hit one on 11 today to about two inches with a 6-iron, so it was a really good shot to that front right pin. So it's probably the best shot I've hit in a while.
