

**SCOTT PAREL ( -11)**

---

**Q. Scott, at the start of the week on Friday, you and I had a conversation about one of the keys to your success is feeling comfortable on the golf course. You started the day one shot back. Were you comfortable throughout the day?**

**SCOTT PAREL:** I was, yeah, I was very comfortable. You know, when you're playing pretty good and hitting the ball well and playing solid, you just try to keep those positive thoughts. And when you've done it before, it's a little easier to stay positive.

**Q. It was tight throughout the round. How much were you paying attention to the leaderboards?**

**SCOTT PAREL:** I didn't really look. I think I looked on 9 when I was 9 under and I was either tied or one up. I didn't pay much attention. And after I made the birdie on 11, I looked to see where I stood. I knew it was going to be pretty tight. When I started, I thought 12 under might be what it would take. Fortunate.

**Q. With this victory here, in two weeks we go back to Phoenix for the Finals of the Schwab Cup. You move into second place now 250,000 points behind Langer. You can win it from there. So what's your game plan from here on, from right now until we get to Phoenix?**

**SCOTT PAREL:** Well, I'm going to go home, rest and relax a little bit in Augusta and go to Phoenix and prepare just like I have every other week. As long as I keep playing like I am, I think I'll have a chance. Golf's a fickle game, you don't ever know, but right now I'm feeling pretty good over the ball, over the putter, so, you know, I've got as good a chance as anybody.
