

DAVID TOMS (- 11)

Q. David, you got yourself into contention today for sure.

DAVID TOMS: Yeah, I had a good day. Not a real fast start or anything but just played solid, then a couple of nice putts I made on the back nine. I think the only hole that really got away from me a little bit was 14. I was middle of the fairway and you were expecting birdie there on the par 5, but hit a bad second shot, made par, so felt like I lost one there. But for the most part kept the ball in play and just had a good solid day. The wind stayed down, especially coming in, so the golf course was there for the taking.

Q. Looked like you putted a little bit better today than you did yesterday. Were the greens a little different?

DAVID TOMS: Yeah, they were a little smoother today, a little more speed to them, kind of what we're used to. So a little more makeable speed, whereas yesterday we felt like we kept having to hit the putts pretty hard. They were able to mow them and they were more like normal today.

Q. When you gave that clinic the other day, was it in the wind?

DAVID TOMS: That was in the wind, yes.

Q. So you were thinking --

DAVID TOMS: What I was thinking is that was going to be pretty easy because all the balls were going to be straight. Yeah, it was fun, just a little something to give back to Mitsubishi for their sponsorship, and people seemed to have a good time.

Q. It was nice.

DAVID TOMS: Thank you.

Q. Are you still playing PGA TOUR events?

DAVID TOMS: I haven't made up my mind. I have a couple in mind that it's possible that I'll play, but for now my focus is doing the best I can over here.

Q. Sony, no?

DAVID TOMS: No, I didn't play Sony this year.

Q. In the future maybe?

DAVID TOMS: Oh, yeah, definitely in the future. It's a tournament that I'm pretty fond of and I won before. This year I decided just to come here a few days early and I relaxed rather than getting into competition a week before. I wasn't able to play much golf at home, weather's bad, so I just wanted to come up here and practice and play this golf course and get ready for this event.
