

DAVID TOMS (-16)

Q. So this is now your second full week at Hualalai. Is this a course that you're excited to keep coming back to? You play well here.

DAVID TOMS: Thank you. Yeah, I enjoy the golf course. I've played well both times. My caddie and I were talking about it there finishing up today, it would be a nice place to come every single year, so I've got some work to do in order to do that. I've enjoyed it. They take great care of us. Mitsubishi's a great sponsor. I've met some really nice people and look forward to seeing them in Atlanta as well. It's been fun.

Q. You started off strong, you had two birdies and then a bogey on 5. What happened there?

DAVID TOMS: The fifth hole, it's a tough par 3, a real hard par 3. I thought I hit a good shot, ran through the green in the bunker. Hit a good bunker shot and missed a short putt. I missed a putt for birdie on the hole before, so I think that was really the difference in me contending today, about four or five short putts and just didn't make them and I think that's going to be the difference in the end.

Q. But you made the putt on 18?

DAVID TOMS: Yeah, that was good.

Q. You finished solo 3?

DAVID TOMS: Yeah, that was good. I hit a great drive so I needed to take advantage of it and hit it in there nice and had a good straight-in putt up the hill.
