

FINAL ROUND INTERVIEW
September 30, 2018

KEN TANIGAWA (-10)

Q. You're in search of your first PGA TOUR Champions win, you're here at Pebble Beach, you make eagle on your last hole. Could you write a story like this?

KEN TANIGAWA: Just wow. No, I can't. I'm a little speechless right now, a lot going on. It was a hard round for me, but I fought back, and to be able to eagle the last hole, just unreal.

Q. Speaking of fighting back, at one point in time you were 12 under par, you kind of went sideways a little bit. What did you do to get yourself back in this game?

KEN TANIGAWA: I was just trying to hang in there. It was hard to play with the lead, I've never done it out here. I made a couple birdies early, but then I made a few bogeys and I started playing a little defensive. Then I doubled 8 and I just kind of hung in there. You know, you never know and it just happened to work out.

Q. Congratulations. This is one of many, I'm sure.

KEN TANIGAWA: Thank you, thank you very much. Appreciate it.
