

**PRE-TOURNAMENT INTERVIEW**  
**May 16, 2018**

**JERRY KELLY**

---

**Q. This is your first start here, right?**

**JERRY KELLY:** Yep.

**Q. You missed this one last year?**

**JERRY KELLY:** Yep, graduation.

**Q. Your son?**

**JERRY KELLY:** High school graduation. Yeah, son.

**Q. Have you had a chance to play the course yet?**

**JERRY KELLY:** Yeah, I played 18 holes yesterday.

**Q. And what were your thoughts?**

**JERRY KELLY:** I mean, it's right there out in front of you. I think it's a great track. I mean, it's got some precision in the iron shots. You've got to pay attention to where you land the ball. I'm sure they can get the green speed up, so some of the greens will be a little tricky. There are a few of them going away from you. It's just a good overall track.

**Q. How about the weather looking ahead?**

**JERRY KELLY:** Normally I don't play 18 holes the day before a pro-am, but just looking at the weather and wondering if we're even going to get it all in today, I had to get out there and see the golf course. You just hope that it stays away. It's just going to be heat scattered stuff, so we've got a chance.
