

ROUND 1 INTERVIEW
May 17, 2018

JOE DURANT (-6)

Q. Not a bad way to finish?

JOE DURANT: No, it was a nice finish. We were trying to beat the storm, too, so we were hurrying on the last hole. I was fortunate to hit a good second shot and then made a long putt, so we got it done.

Q. You finish with that eagle there so you're at 6 under. Just your overall thoughts on the round?

JOE DURANT: Good scoring today, it was out there. It was pretty calm for the most part, and the greens were real receptive and the course is in phenomenal shape, so you're going to make some putts if you're rolling it well. It's really a testimony to the condition of the course.

Q. Are you glad to be done now?

JOE DURANT: Yes, very glad, very glad.
