

**ROUND 1 INTERVIEW**  
**May 17, 2018**

**JERRY KELLY ( -6)**

---

**Q. Can you talk about your round? Great round for you. Second hole you had an eagle, got off to a good start?**

**JERRY KELLY:** Yeah. 4 under through 4, you know, I was shooting for 54 but it just didn't happen today. (Laughs.) I haven't gotten off to a good start for a while, so it was really nice to get comfortable again. I feel like I've been on edge for quite a few months. Just going to try and take it easy as it comes the rest of the way.

**Q. How much does it help when your group plays so well?**

**JERRY KELLY:** Yeah, I mean, these guys are two of my favorite guys on the planet, so I'm happy we're able to play again tomorrow, it will be great.

**Q. How did the course change after the delay?**

**JERRY KELLY:** It changed. I went from a par 5 on, what, is it 14? Is that 14, the par 5? I got there yesterday, and I hit driver, utility and I still had 153 and flew it with a 9-iron out of the first cut, so I got a little flyer. But that's the difference from being able to reach it to actually hitting three shots too long.

**Q. What about 15, that bogey there that you had?**

**JERRY KELLY:** Yeah, I hit a great third shot. I was in the first cut and it just -- I mean, I can't hit it over that green. That's why I hit the club that I hit. I should have been hitting 8-iron, but I hit 9-iron and it still went over. So those things happen. Yeah, it was disappointing, but to come back and finish it off was nice.
