

ROUND 3 INTERVIEW
May 19, 2018

GENE SAUERS (-13)

Q. Just really quickly, your interpretations of your round?

GENE SAUERS: I just didn't hit it that good today. I started off pretty bad, made bogey on the first hole and kind of got behind the 8 ball kind of quick, and then birdied 2, and made a great ball on 3 and 4, and just kind of wasn't getting into it today or something. I just didn't -- and on the back nine I made about four or five birdies in a row, and then I made a double bogey on a par 5 and that's -- just wasn't my day.

Q. So, at this point when you're looking at tomorrow, you just go to work right now and try and find it, or wait until tomorrow and try to figure it out?

GENE SAUERS: I'm just going to wait till tomorrow. I'm kind of hot and tired right now, but just wait until tomorrow and just do what I have been doing every day and just try to shoot at some pins tomorrow, not to be scared of them.

Q. Realistically, with how well Miguel is playing, is he going to have to fall back --

GENE SAUERS: Yeah, he's hitting the ball really good. He's hitting it long, putting it good. He's doing everything right, so, you know, we have to step our game up tomorrow.

Q. Have you made any changes to your putting?

GENE SAUERS: No, same thing as I did yesterday.
